

BURRO

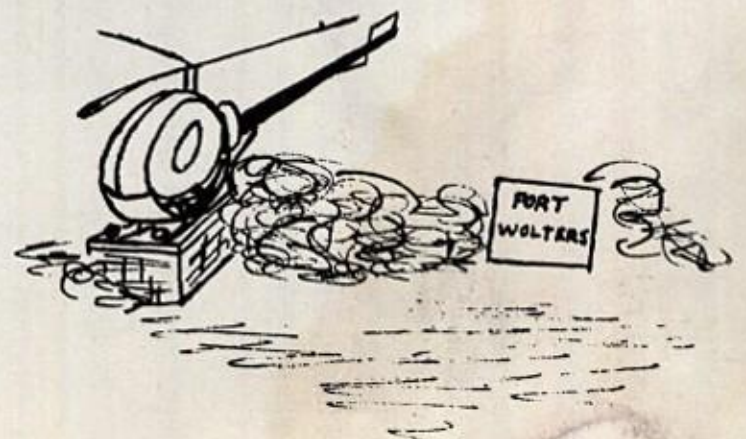

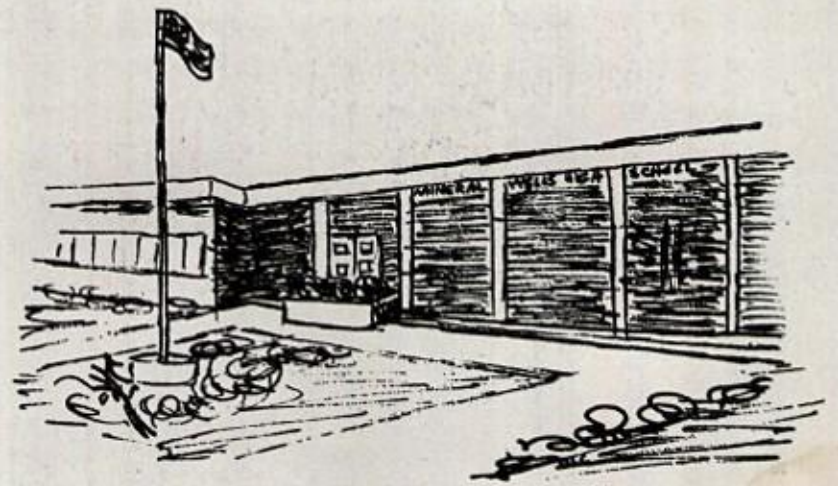

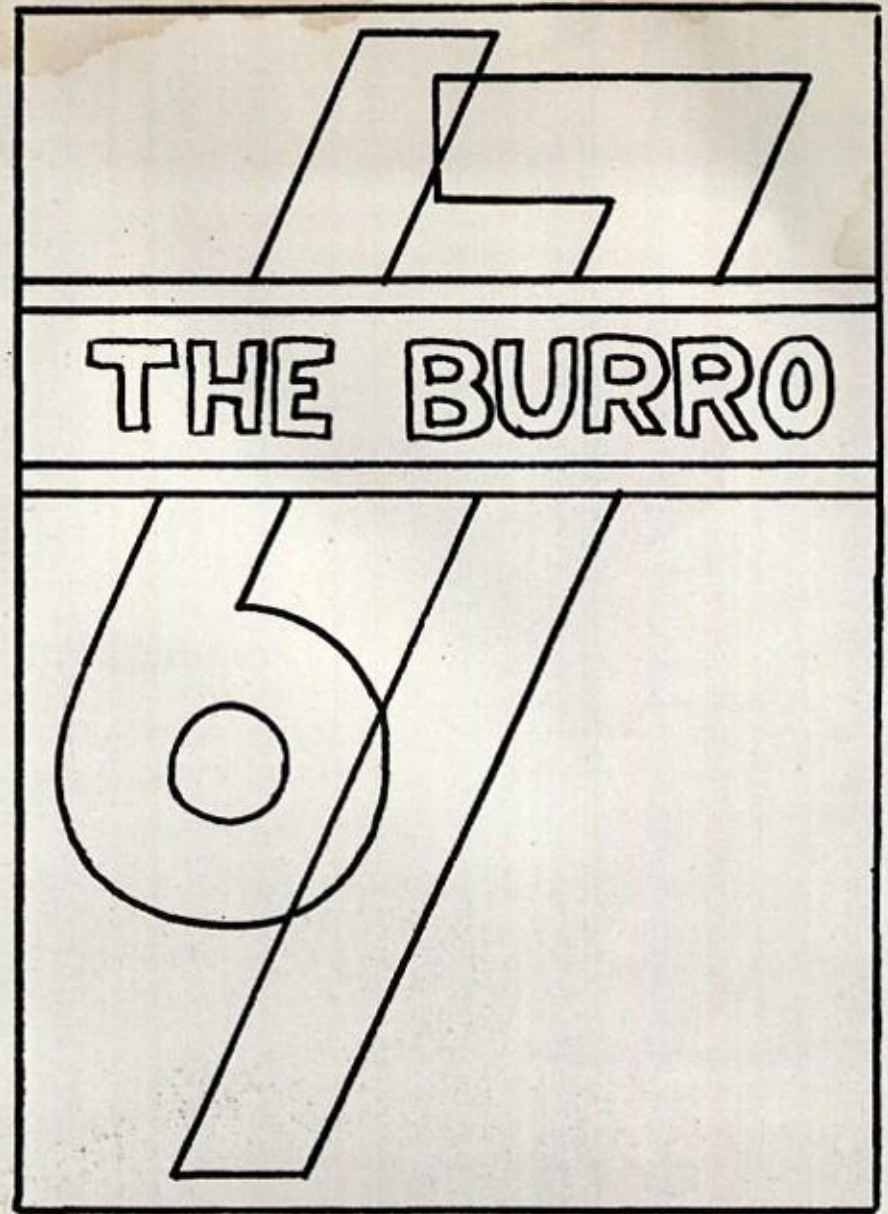

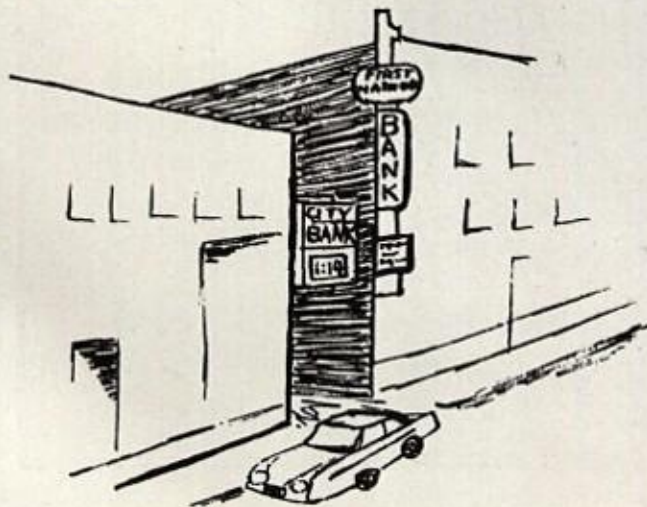

Foreword:

Just as newspapers and magazines are a vital link in our country's communication systems, the Burro is a vital link in Mineral Wells High School functions and fond remembrances. Each student has established a place in the school, and the Burro reflects these positions and achievements each year. Residents throughout the area have accomplished certain goals and their presence is felt in every function of the city.

The more goals that are reached, the greater the city. The students and faculty of Mineral Wells High School have made this school a school to be proud of, and likewise, the wonderful people of Mineral Wells and Fort Wolters have made this an area of which each can feel grateful that they have had a part in its development. We, of the Burro, recognize this fact and feel honored that we might add our part to this great school and great community.

What is the basic factor that determines a city's greatness? Is it the people who live, work, and play in the city? If city government makes great cities, then consider what comprises that government.

The city manager, the mayor, councilmen, commissioners, the chief of police and other city officials are given the responsibility of carrying out the duties of the government. These officials are, in truth, only residents of the city. If they do their work to the best of their ability, then the government runs smoothly and efficiently.

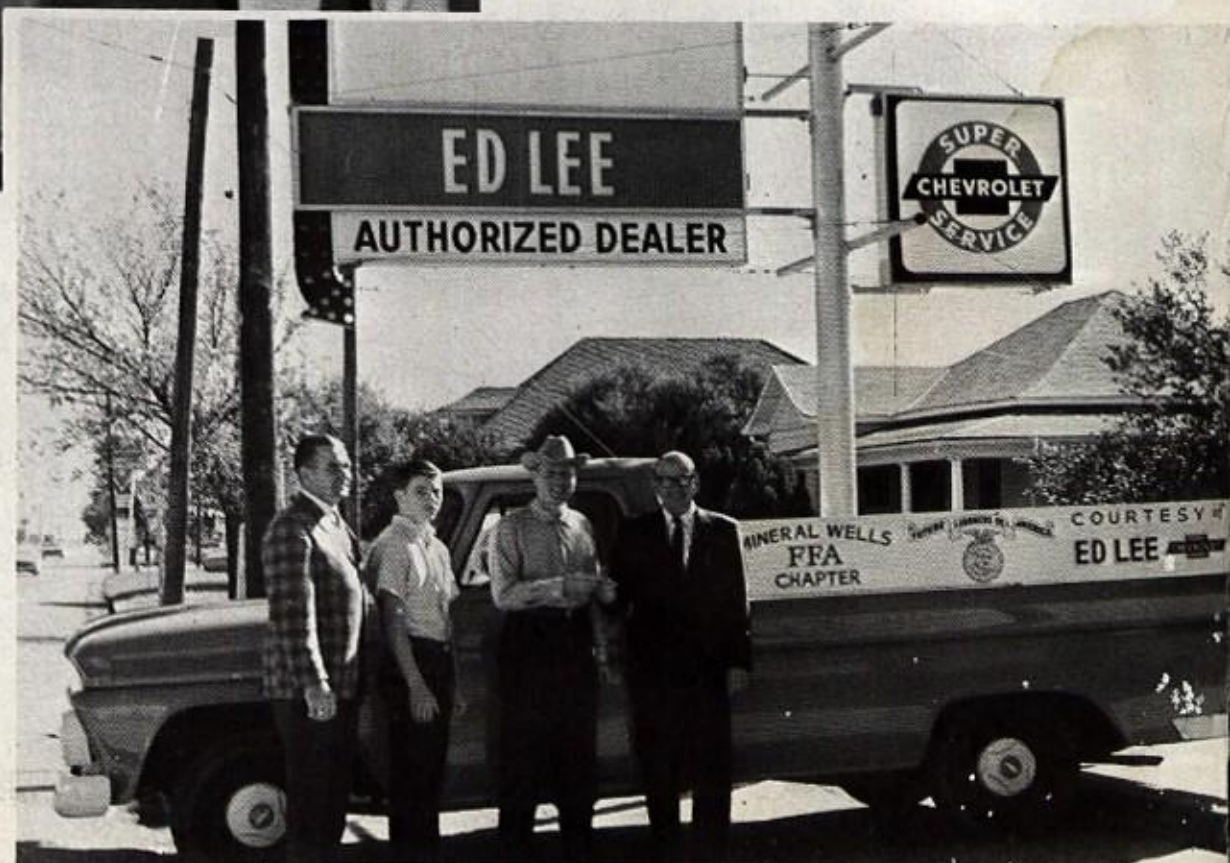

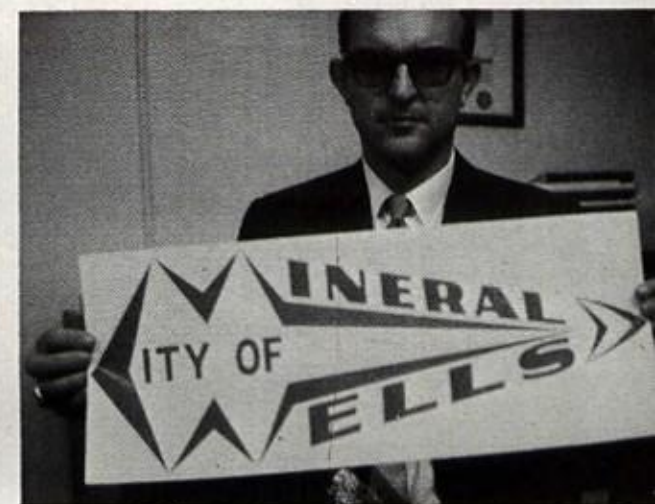

The business firms in the city might account for the city's development. The increase of business establishments goes hand in hand with the increase of the size of the city, then this city will prosper along with the well-being of the business themselves

Without the people to run these places of business, and that important asset - the customer, these places would be nothing more than empty buildings inhabited by rodents and insects for protection from the elements.

Schools in Mineral Wells keep abreast of the time. Countless school personnel spend extra hours on the job.

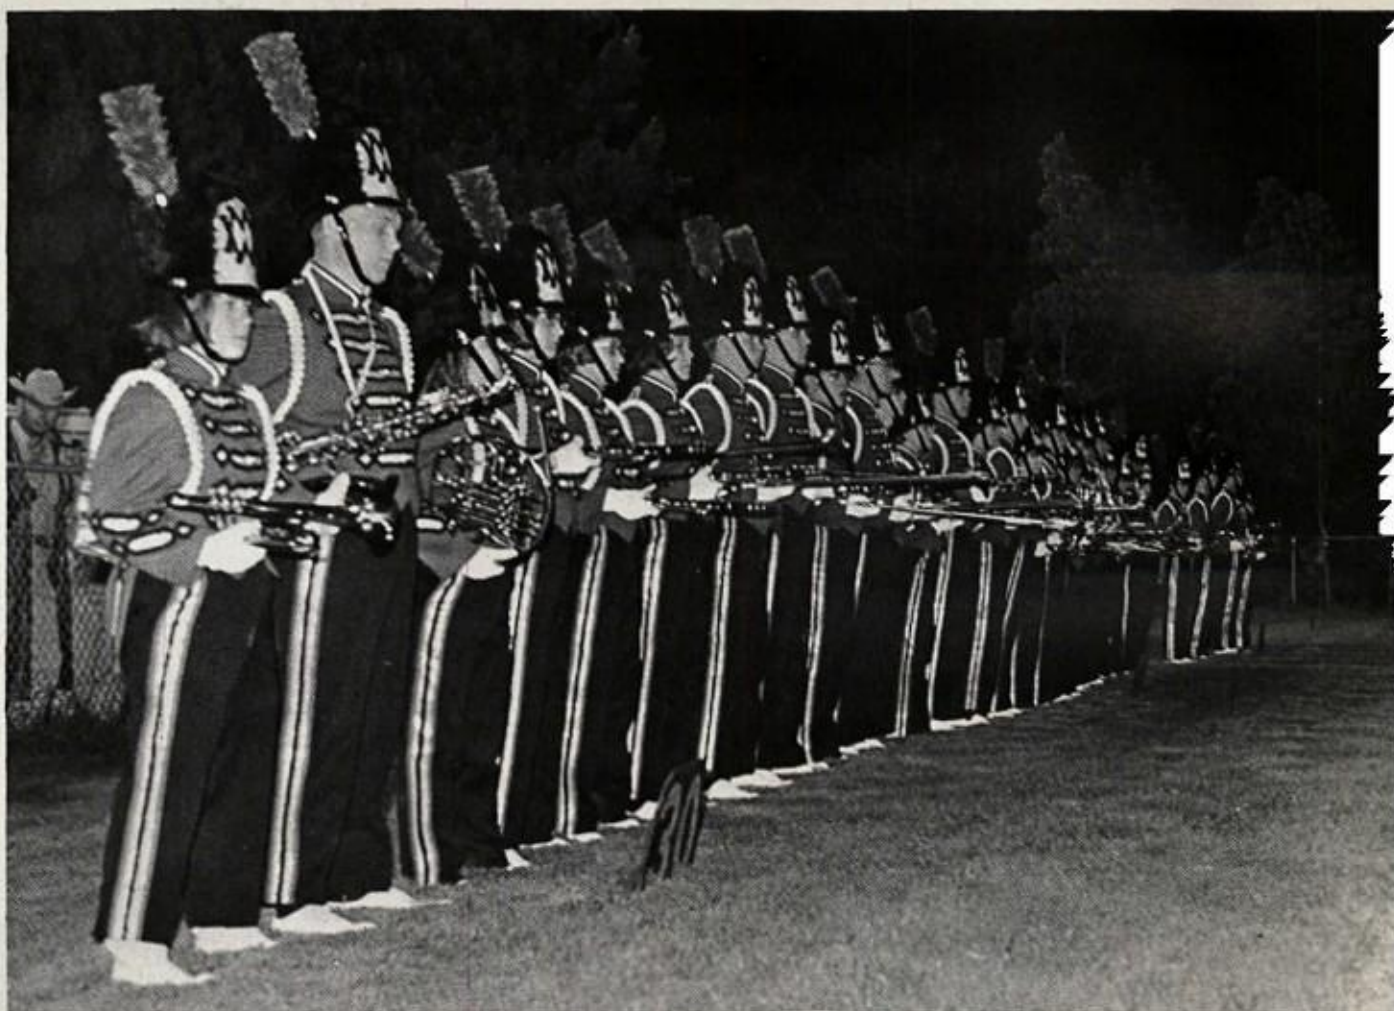

The latter statement is also true of recreational areas, and in fact, in any institution or function. Without people, there could be none of these.

COL. E. P. FLEMING

Fort Wolters could not be the thriving center it is today if it were not manned by the diligent personnel who conduct the affairs in the best way they possibly can. The need for more equipment and training facilities has increased its size by leaps and bounds to supplement the growing demand for trained men to protect our nation's security.

The Mountaineer Marching Band lends support and adds school spirit to all activities---

The Rams win another game, leading them to District V AAA Champions in both football and basketball for 1966-67.

As our city of Mineral Wells and Fort Wolters grow, more educational facilities are needed to continue our high standards of learning. The schools play a very important part indeed in preparing the future citizens for their place in life. The greatness of the people depends a great deal on the amount of education they obtain in their preparatory years.

New Music Hall

One of our outstanding citizens--Senator Tom Creighton, of whom we are justly proud.

We fulfill the purpose for which we come to school---to learn. Careful class instruction is given in all departments. The school strives to meet the needs of each student.

Let's help make Mineral Wells one of the best cities in the United States! It is entirely possible if each endeavors to do his best to make it so. A city is what we, as citizens, make it.

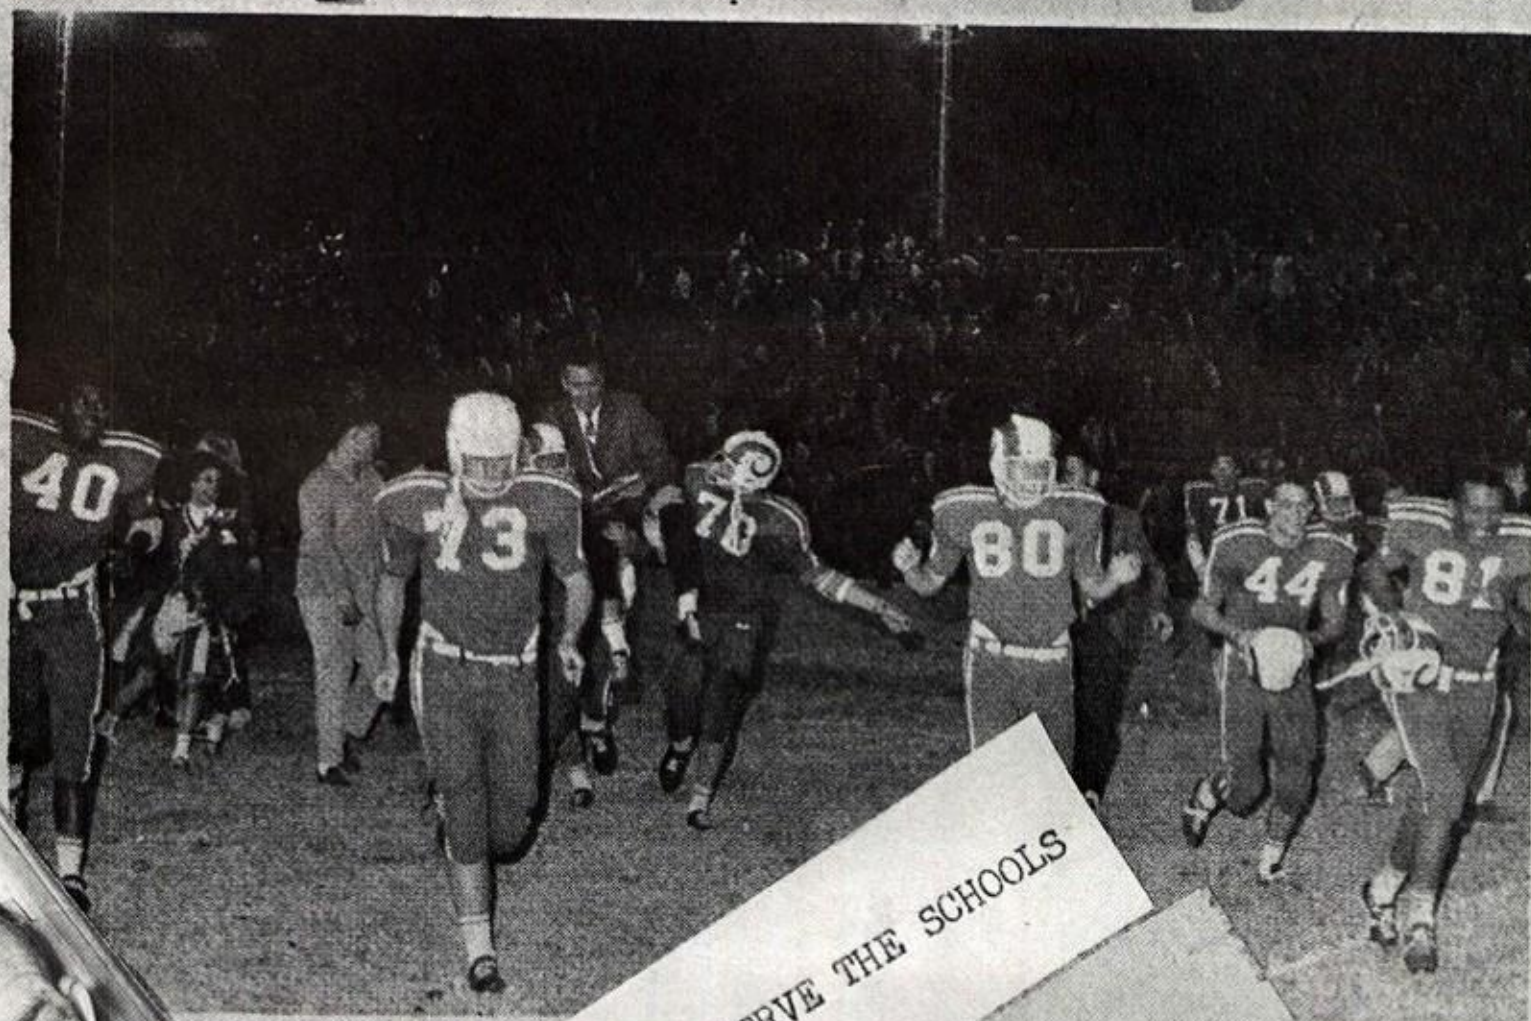

Mountaineers To Meet McKinney At Arlington

The 5AAA Champions, the Rams, will meet the 6AAA Champs, the McKinney Lions on Friday night, for the bi-district title, and the right to continue in the State play-offs. Kick-off time is set for 8 p.m., and the game is to be held in the 10,000 seat Rebel Stadium on the campus of Arlington State University.

The game should be a tough defensive battle as it brings the State's top defensive teams together. The Lions have been rated number one among defense in 3A competition, and the Rams are rated number one in 5A.

McKinney has been rated as a big threat to take the title.

The Rams are favored to win the game. The underdog Mountaineers are hoping to pull off a surprise.

"To win the public's confidence... confide in the public."

BAPHS

Milestone

(Oct. 22, 1965) — Another milestone was recorded at the U.S. Army Primary Helicopter School when an OH-23 "Raven" helicopter occupied by instructor pilot Alfr Klotz of Mineral Wells and student pilot WOC Michael M. Cullifer 3 p.m. October 15 logged the one millionth flying hour.

The millionth hour pilots were congratulated upon their landing by COL E. P. Fleming Jr., Fort Worthers commanding officer and helicopter school commandant, and Raymond L. Thomas, president and general manager of Southern Airway of Texas Inc., the civilian flight contractor.

JAMES MISSED

shot and Nelson caught with the rebound.

The Ram star tried to start back on the court, though, and Jerry Denison picked up the ball and brought it through to put him out of reach.

McKinney grabbed the first-quarter lead and extended the margin to 31-10 at the half.

The Choir of the First Baptist Church will lead in the congregational singing and special music will be furnished by the combined choirs of the Mt. Hermon Baptist Church, The Bethel Baptist Church, Mt. Olive A.M.E. Church.

The game is to be held in the 10,000 seat Rebel Stadium on the campus of Arlington State University.

Mineral Wells, Weatherford Keyed For Crucial Conference Tilt Friday

Both the Mineral Wells Rams and the Weatherford Kangaroos will have some injured players in their rosters when they go to the Friday night game of the season at Miller Stadium here Friday night.

But one thing is certain, and that is if the weather is good, the "standing room only" sign will be out at Miller Stadium. Reserved seats, placed on sale Monday morning were gone before noon.

Besides the Mineral Wells fans, more than 1,000 from Weatherford are expected to be here, together with the Kangaroo band and cheer leaders. Then Stephenville asked for 800 tickets, but were able to get only 10. The fans of that city, of course, will be here in the interest of seeing the Rams go down in defeat, which would give

the Stephenville team the conference title.

Police of both cities are concerned about the traffic and have urged drivers to use every caution on the highways going to and from the game. Every officer available will be out to attempt to make the evening accident-free.

Although Coach Bill Reddell's charges are in the best shape they have been for the past several games, he still has injuries to worry about.

Playing recently with a broken hand did not help the plight of Ram tackle Bill Brewster, who probably will not play Friday night. Bob Klich will place in the Rams as a regular fullback, as injuries suffered several weeks ago will be replaced by back Matt Matthews if he is un-

able to play. Dave Helterbran and Edward Nelson both have injuries, but will probably see plenty of action on both offense and defense.

For Weatherford, to a great extent their game is built around their smart passing and running quarterback Don Ruth and he was injured last week.

cent Brewer gave up the position to Ronnie Gill, who is the Mineral Wells player that

play. If the Rams lose, Stephenville will be the District Champions -- all this depends on. Stephenville wins Friday night (game) from Grapevine, which is expected to do.

Mineral Wells starting offense for Friday night will be: quarterback, Don Ruth; tackles, Bob Klich and

Phil Rice; guards, Chris Maari and Dave Helterbran; center, Phil Ramsey; quarterback, Bob McMurry; backs Tom Warren and Edward Nelson and fullback Dale Matthews.

For Weatherford -- ends, Larry McBride and Gary Killion; tackles, Brock Smith and Stan Thomas; guards, Mack Sneed and Gil Gore; quarterback, either Doyle Lee (11) or Ronnie Gill (12); backs, Don Ruth and David Davis; fullback Reuben Angeles.

OUR NEWS MEDIA IS OF THE HIGHEST VALUE!

New Officers

Elected For 1967 Of Directors

Chamber of Commerce of Directors under the leadership of Benny Saylor, president and Frank Saylor, Jr. and Al Jarrett, presidents. David Cleveland was elected treasurer. The officers officially took the reins of the Chamber of Commerce at a meeting but will assume their duties on March 1 and will be installed at the annual membership banquet on March 17.

Don Ruth will be replaced by back Matt Matthews if he is un-

Railroad explained would be a detriment to the Missouri-Pacific Railroad which services Mineral Wells.

The housing conference held March 24 gave the financing committee an opportunity to explain to the people of Mineral Wells their views on possibilities of relieving the housing problem in Mineral Wells, explained President Varnell.

"We do not have the solution but this meeting was called to

given by Benny Saylor, Councilman.

It was all in fun when Colonel Robert O. Lambert, during his report to the Board of Directors on activities at Fort Wolters, presented Jake Varnell with a citation for having a sticker on his automobile at Fort Wolters. Colonel Lambert presented the citation in a beautiful frame and explained this is to cement good relations between Fort Wolters

Administrators at Ground-Breaking Ceremony — Looking to the Future . . .

In Memory

SANDRA HOPKINS

SANDRA HOPKINS

Through the course of history, certain individuals come into existence who show exceptional merit in the eyes of those around them. Sandra was one of those individuals. No kinder or sweeter person was ever known by those who knew and loved her.

With an intense and enduring effort, she overcame a handicap, that to others, would have proven to be a defeat in life. For her, each day brought forth a new experience and she looked forward to its unfolding. She did not take life for granted, but looked at it as it should be looked at--each event a rich and rewarding experience.

Though she was unable to be with us in the classroom physically, spiritually she was a part of all the student body and faculty.

For Sandra, life might have been considered to be full of sorrow and heartbreaks; but Sandra did not feel this way. She now enjoys a life that many of us would long to live, for now we are confident Sandra is living in everlasting peace with her Heavenly Father.

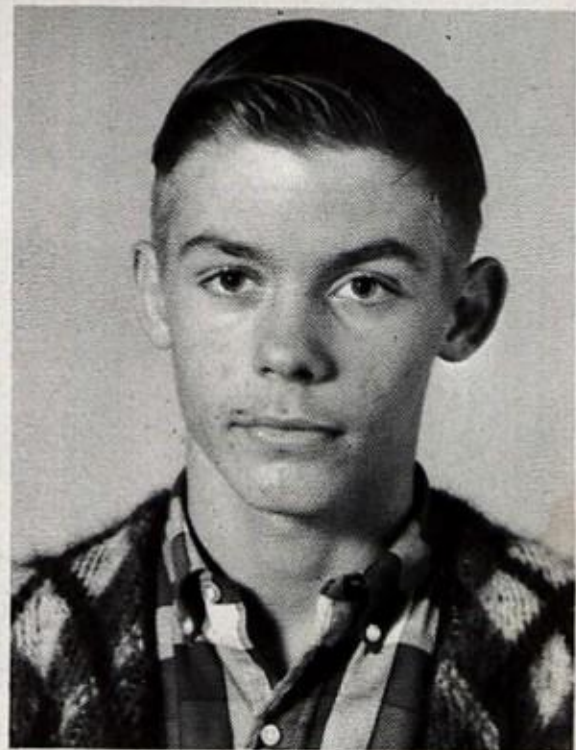

As the years pass, we at Mineral Wells High School, will never forget her because she meant so much to us.

MIKE HARRINGTON

When life shall end, no man can say. For some, it comes after a long, fruitful life; but for others it occurs after they have enjoyed only a short time on earth. Why life ends so abruptly for some, we cannot understand yet.

Though Mike's life ended suddenly, after he had been with us for a scant seventeen years, he filled these years with rich experiences and an abundance of friends who will remember him throughout the years.

It may seem that Mike left us untimely, but he will never again be endangered. He now finds comfort in his place in Heaven.

MIKE HARRINGTON

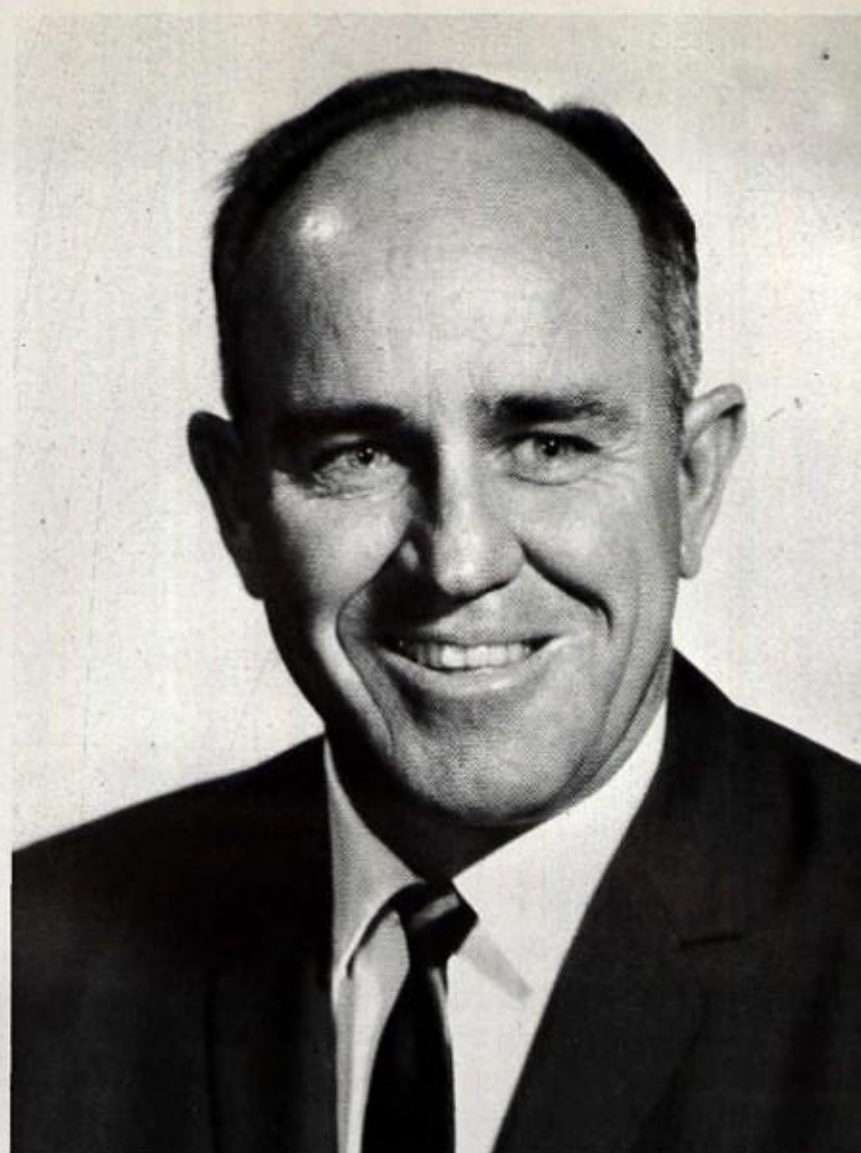

To know Judy Coley was to sincerely appreciate, respect, and love her. It seems one could use no word better to describe her than the word LOVE. She was LOVABLE . . . when around her, one was drawn by her magnetic personality. She was LOVELY . . . not only in physical appearance, but in character. She was LOVING . . . continuously she expressed her love for her Christ, her husband, and her friends. Our lives are better because she passed this way.

"And now abideth faith, hope, love; but the greatest of these is love."

1 Cor. 13:13

D. W. McBRIDE, Principal

BILL SWEET, Assistant Principal

The 1966-67 BURRO is special in many ways, not the least of which is this year's joint dedication. Rarely is a school so fortunate as to have two such fine persons whose closely associated work in the administration of our school has contributed so much to the lives of students and faculty alike.

Dedicated men--Men with a purpose. These words, in a small way, are indicative of Mr. McBride and Mr. Sweet. Each of these men regards every student as an individual with potential; and each, with unfailing courtesy, takes time to help the student realize and develop that potential. It is in this endeavor, as in all other areas under their guidance and influence, that these men are respected in their positions of leadership.

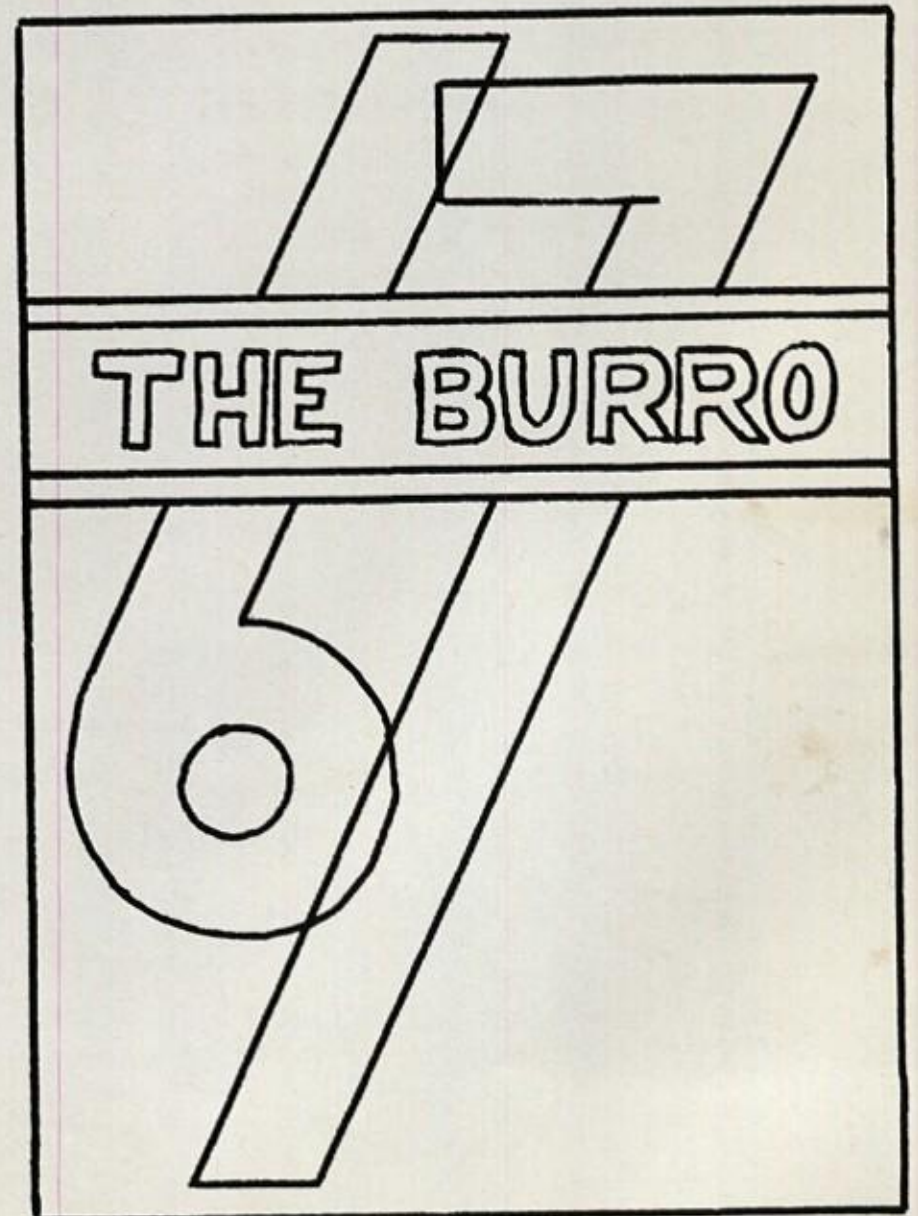

Through our association with these two men, our insight has been deepened, our knowledge increased, and our sincere respect for wisdom-at-work has been magnified. They will long remain vivid in our memory.

In their approach to students, their very natures reflect what each seems to say: "Choose wisely in your decisions which will continue throughout your lives. Choose wisely, for each will help fashion your most priceless possession--your character."

It is with great pride that we dedicate the 1966-67 BURRO to Mr. D. W. McBride and Mr. Bill Sweet! Each sets a shining example for others to follow.

Administration

H. L. Irsfeld, Superintendent of Schools; Dr. A. T. Koonce, Dr. Don McCall, Luther Waddy; SEATED: Harry Riley, School Board President; George Roberts, Secretary; and Robert Goodwin, Vice President.

Mineral Wells School Board

SAM HAWES

Although they are involved in their own work and home lives, the Board of Education places student welfare on the priority list. This is demonstrated by decisions made on important matters at regular and special meetings. Their sincere interest and examination of school problems, has caused the local board to have the combined friendship and respect of the students and the faculty. They are truly men of dedication.

1966 MWHS Mountaineers —

BILL REDDELL (Head Coach)

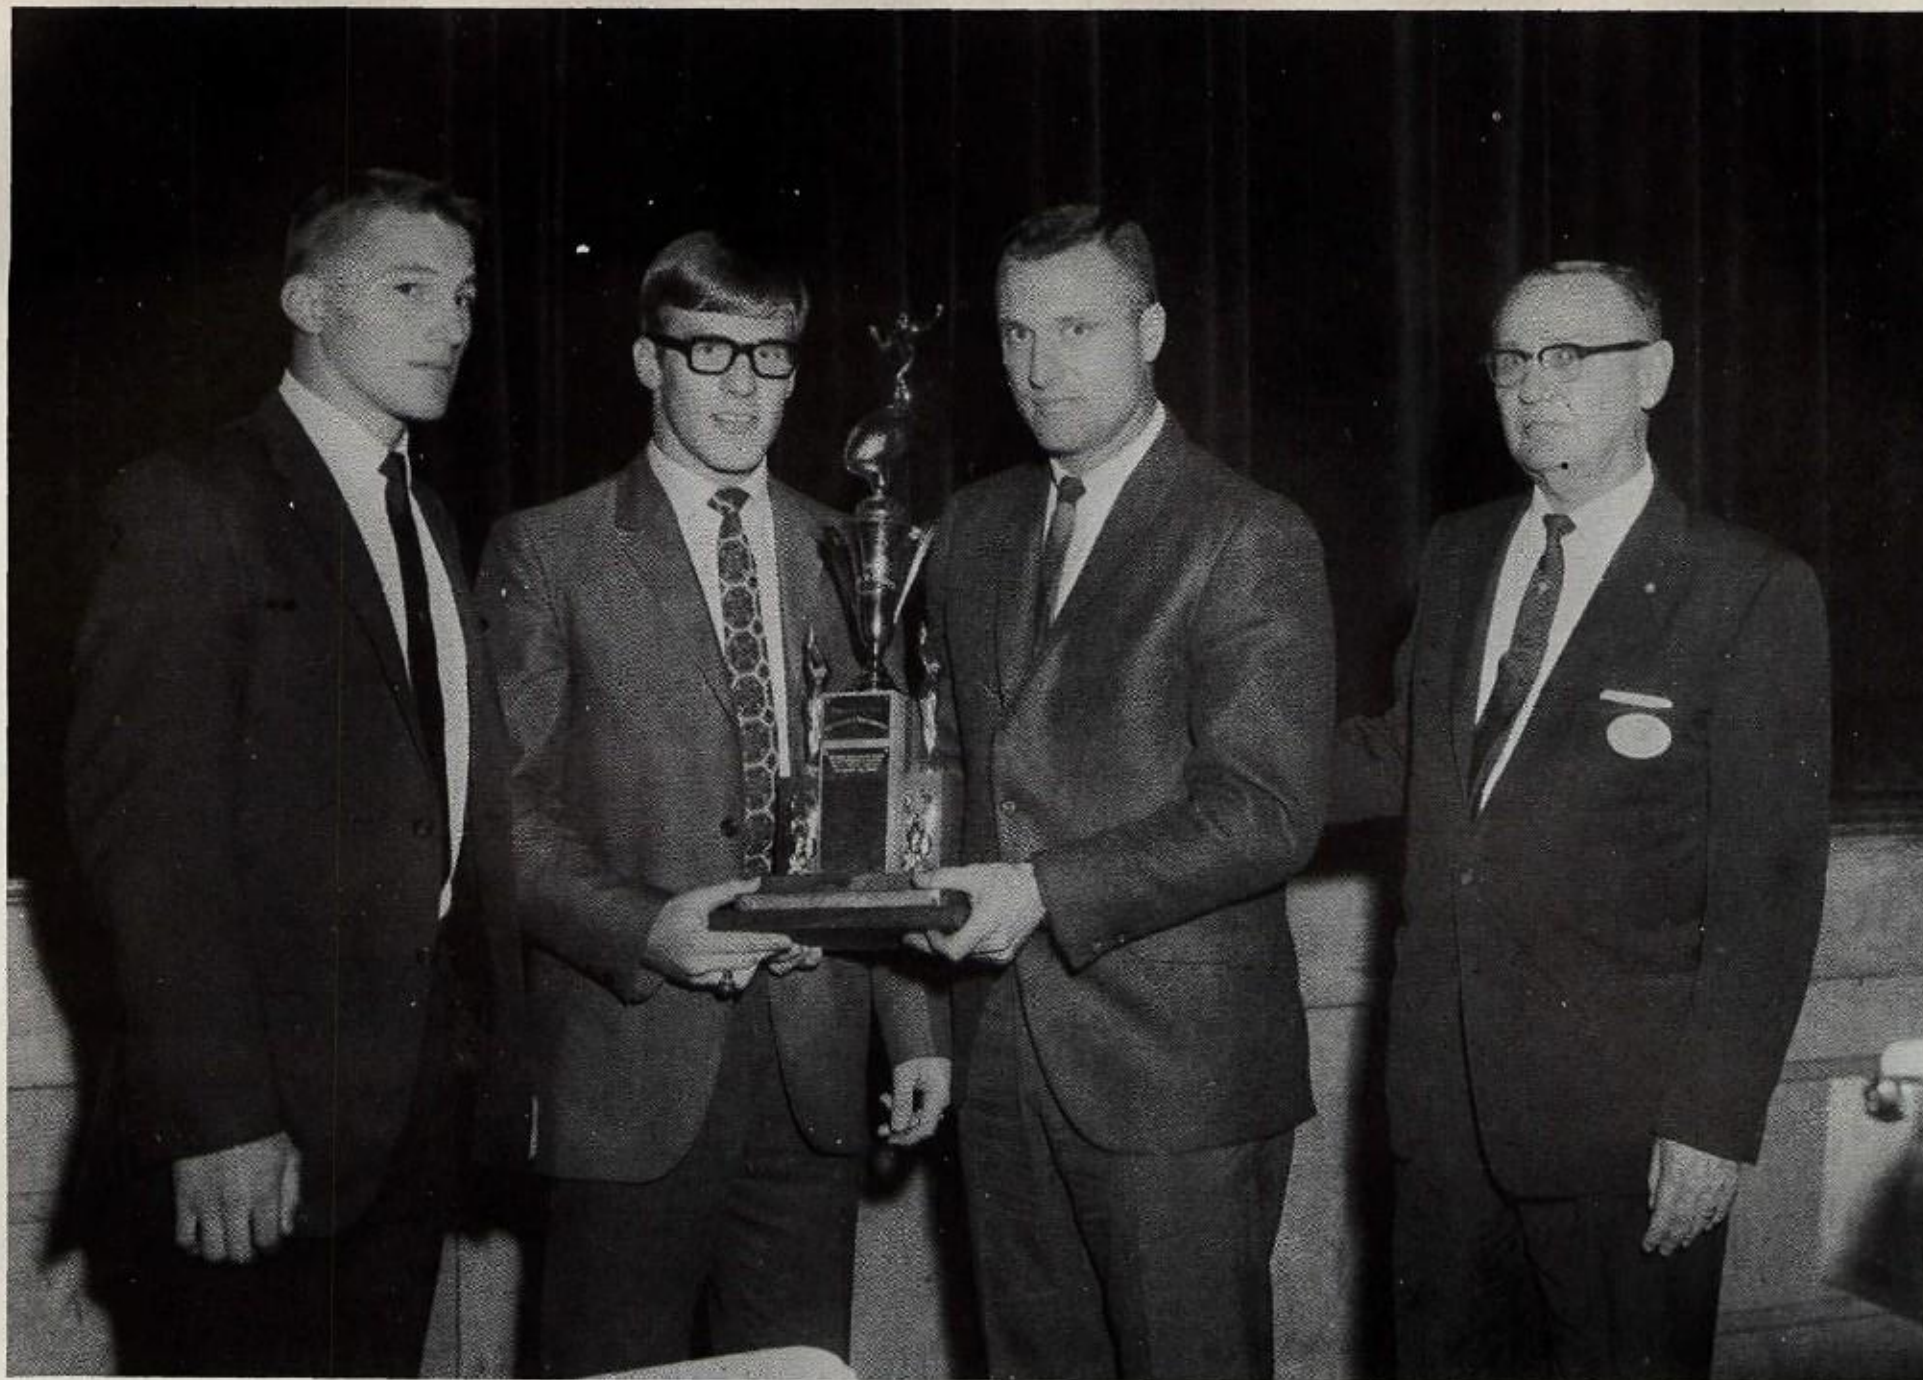

PLAYERS: Ayers, Ronnie; Brewton, Bill; Helterbran, David; Hoover, Junior; Hull, Gil; Johnson, Ralph; Klick, Bob; Martin, Riley; Matthews, Dale; Milton, Robert; Mitchell, Mike; Nelson, Edward; Porter, Gary; Pilkington, Charles; Ramsey, Lynn; Ramsey, Phil; Rice, Tim; Saari, Chris; Skaggs, Weldon; Tyson, Bill; Walker, Anthony; Ward, Tommy; John Welch; Joe Burk; Wayne Anders, and Bob McMurray.

District AAA-5 Champs

This team comprised of 26 boys accomplished a feat during this year's season that no other MWSHS team had done for 12 years. Under the leadership of Coach Bill Reddell and his assistants, Coaches Pete Hart, Charles Scott, and Pat Simmons, these boys acquired a 7-3-1 record through their hard efforts and never-give-up attitude. Prior to the Bi-District game, this team was ranked as #2 in defense with only 69 points being scored against them the whole season.

Truly the town of Mineral Wells and the students of MWSHS can be proud of a bunch of boys who did a man's work and achieved their goal - District Champs!

PHIL RAMSEY and TOM WARD receive trophy from Coach Bill Reddell and George Barber.

Most Valuable Players 1966-'67

HIGH SCHOOL STUDENT AND TEACHER CHOSEN TO ATTEND SYMPOSIUM

Miss Donna Chandler, senior student at Mineral Wells High School, and Mrs. Elizabeth Vaughan, biology teacher at the same high school, have been selected to attend a

Math-Science Club, the Art Club, and a member of the Student Council.

Mrs. Vaughan has been a member of the Mineral Wells High School faculty for a number of years and

Rams Fare Well In Brewer Track Meet

Despite the injury of two key track men, the Rams piled up 42 points in the Brewer Track Meet, last Saturday.

The Rams were dealt a cruel blow when Tom Ward and Ronnie Ayers were forced to withdraw from competition because of pulled muscles. Both were members of the mile and 440 yard relay teams.

The highlight of the meet was the 100 yard dash, and J. Nelson placed in the

between Bob McMurphy of Mineral Wells, and my Watley of D'Ar Hill. Both jumped 21 feet and Watley out three inches a Edward Nelson placed second in the 100 dash, and third in the 200 yard dash. Keith F. Nelson took fifth place in the pole vault and the mile jump. Robert M. Nelson placed fourth in the 100 yard dash, and J. Nelson placed in the

Candid Shots

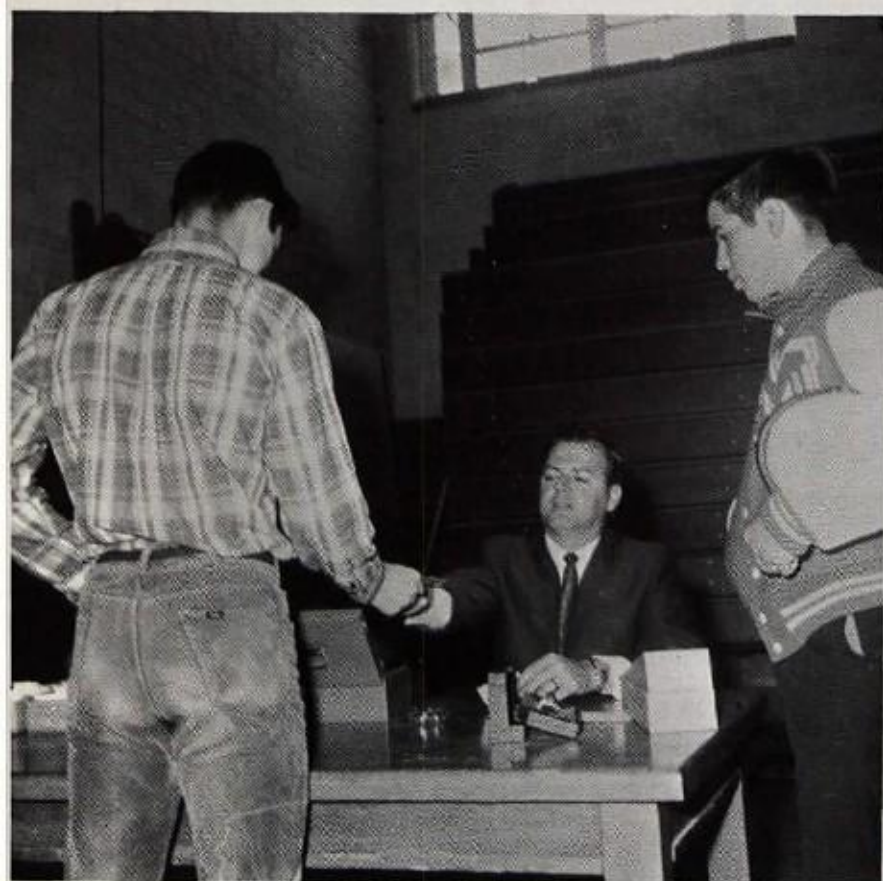

Cheerleaders selling tags

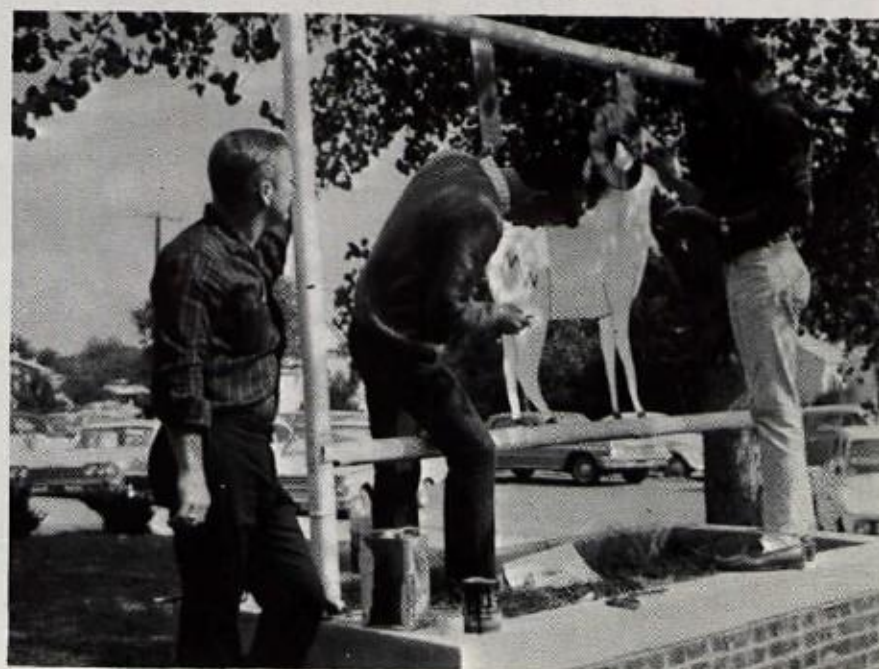

Students eagerly registering for fall semester.

Mr. Shryoc delivers class rings to happy students

Girls proudly show new rings!

Putting finishing touches on Ram!

Mayor Varnell signs Key Club document.

Houston School sends "Hallowe'en delegates.

Cute senior and junior...

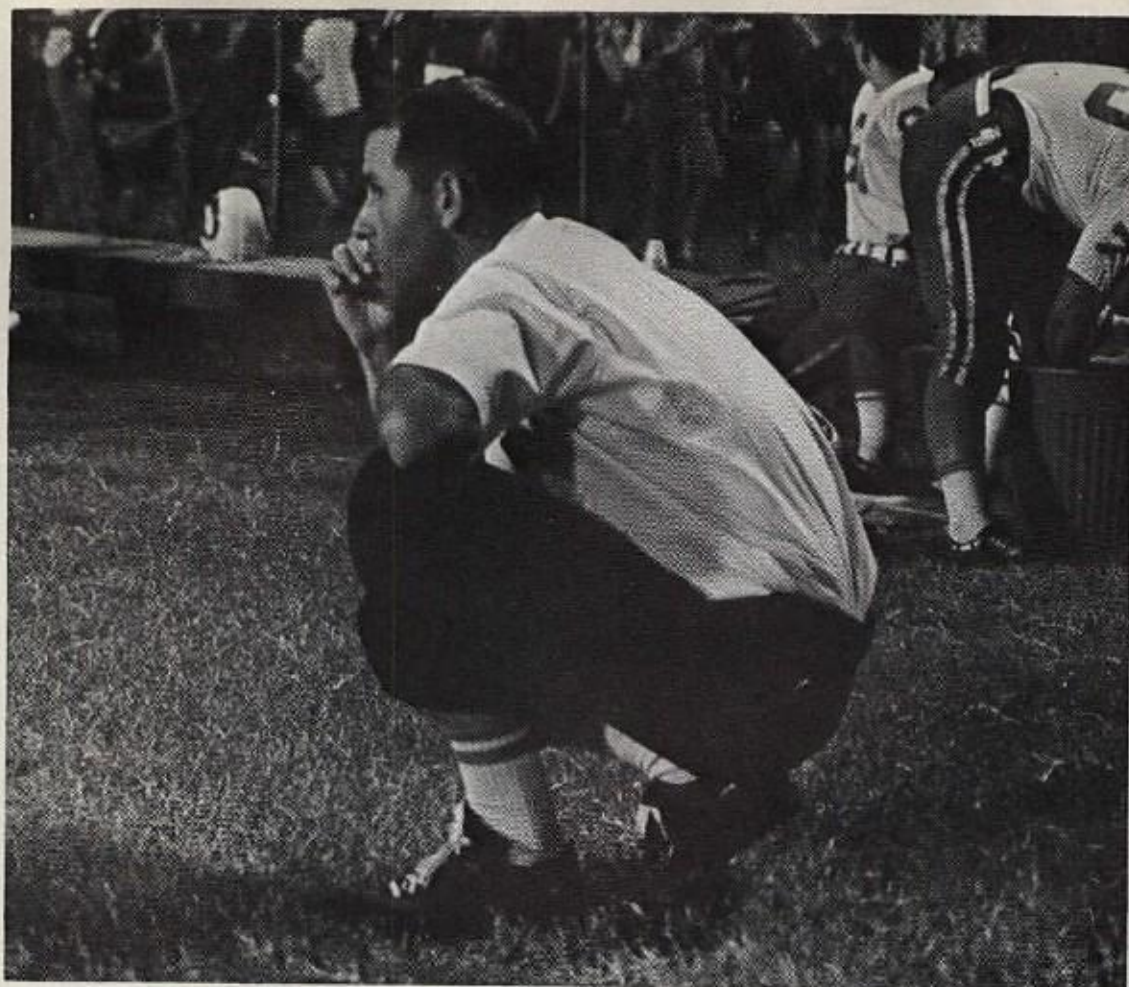

F. F. A. holds ceremony

Bobby... age: 11 months

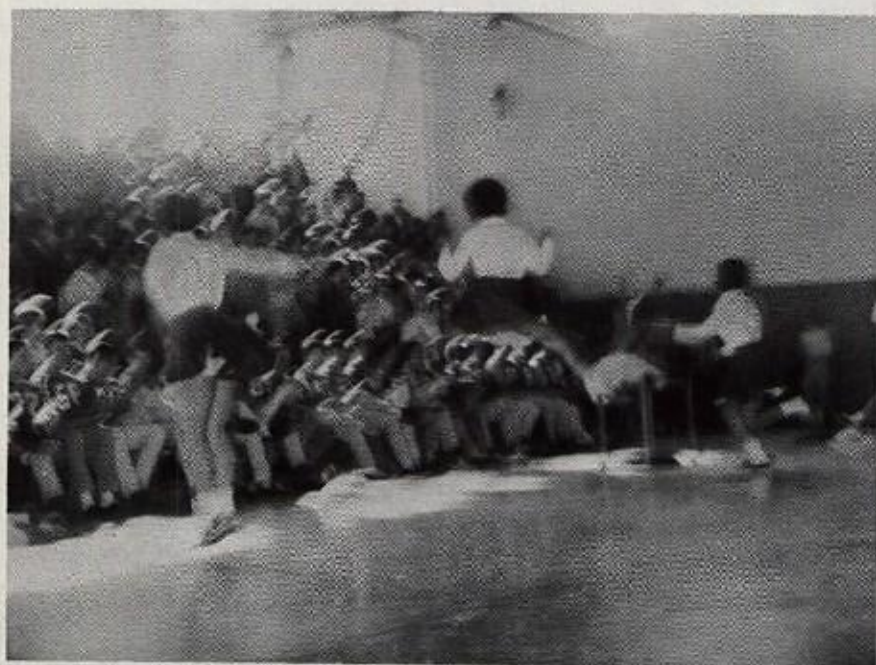

Two boys hard at work

Coach Scott watches game intently

Preparing for the "game of the year."

"Great enthusiasm exhibited at pep rally

See the "Beat the 'Roos" sign!...and we did!

Stacking boxes for the big bonfire.

Principal McBride inspires student body.

"Young Picard" - football star 1982!

Kids were busy painting signs for pep rally.

Two future high school students.

Would you believe
this is Harriett?

Everybody gathers wood for the bonfire.

Such popularity must be deserved.

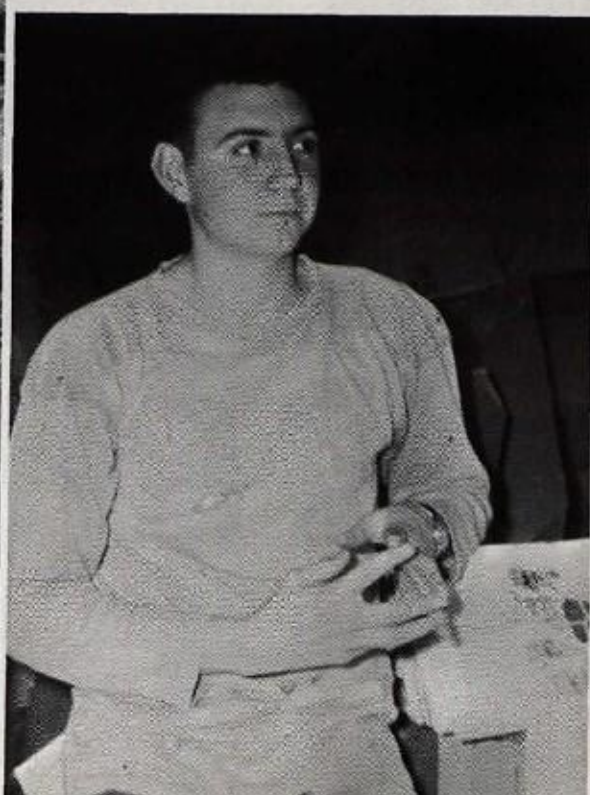

Phil "studying" in class.

Two blondes talking something over.

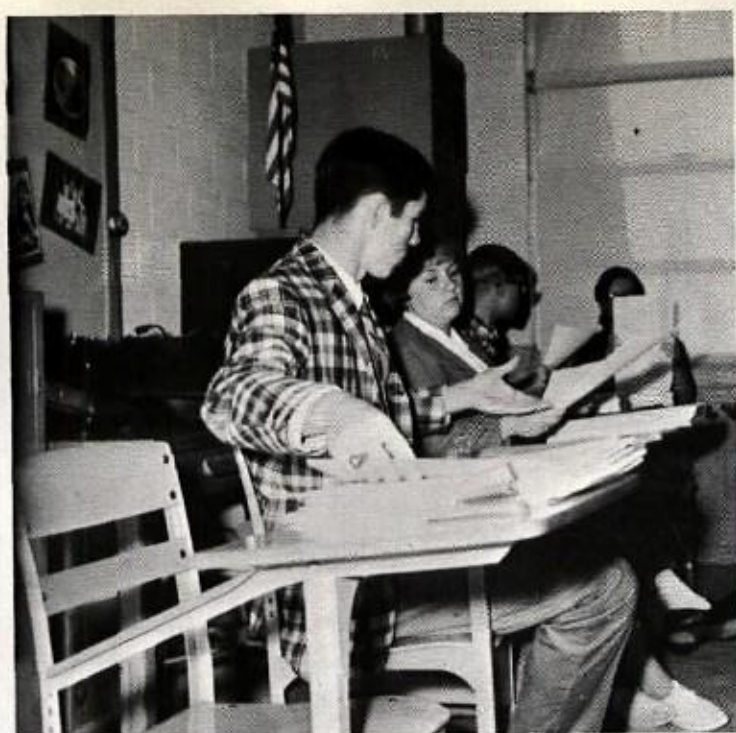

Ann proudly showing her ring.

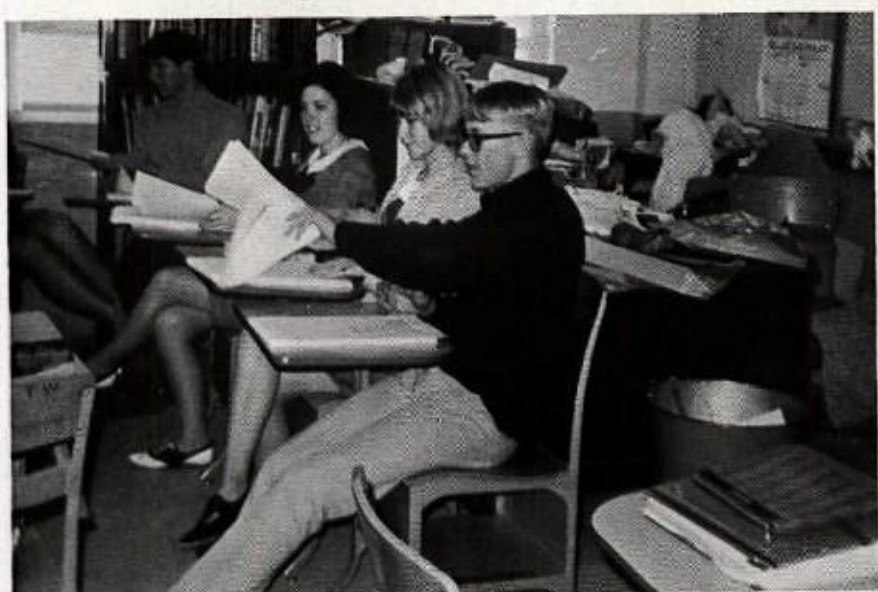

Sam's guilty!

Don Siegel and his pet.

Putting the Rambler together.

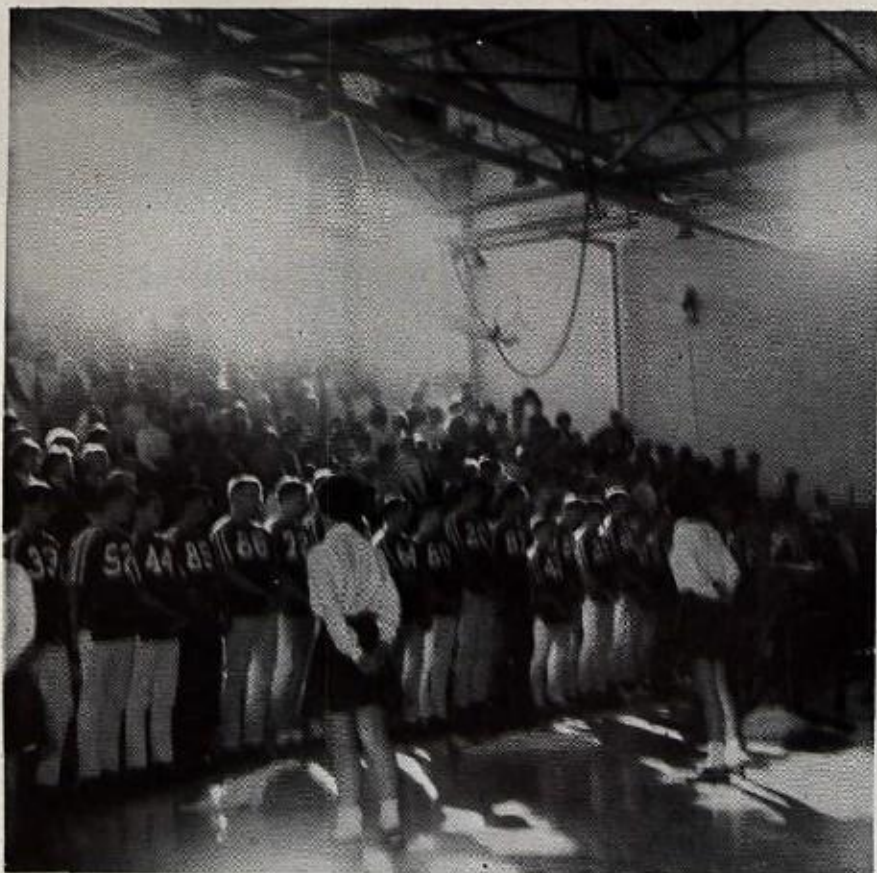

Rambler staff busy at work!

Boys display "horseshoe bookends."

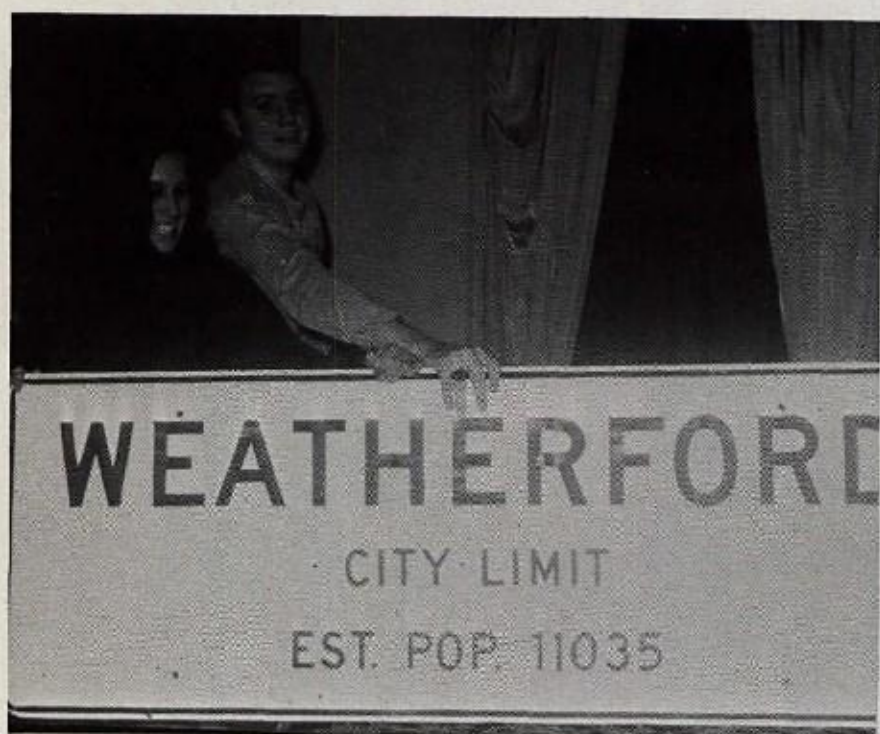

Three fine Burro Award Winners

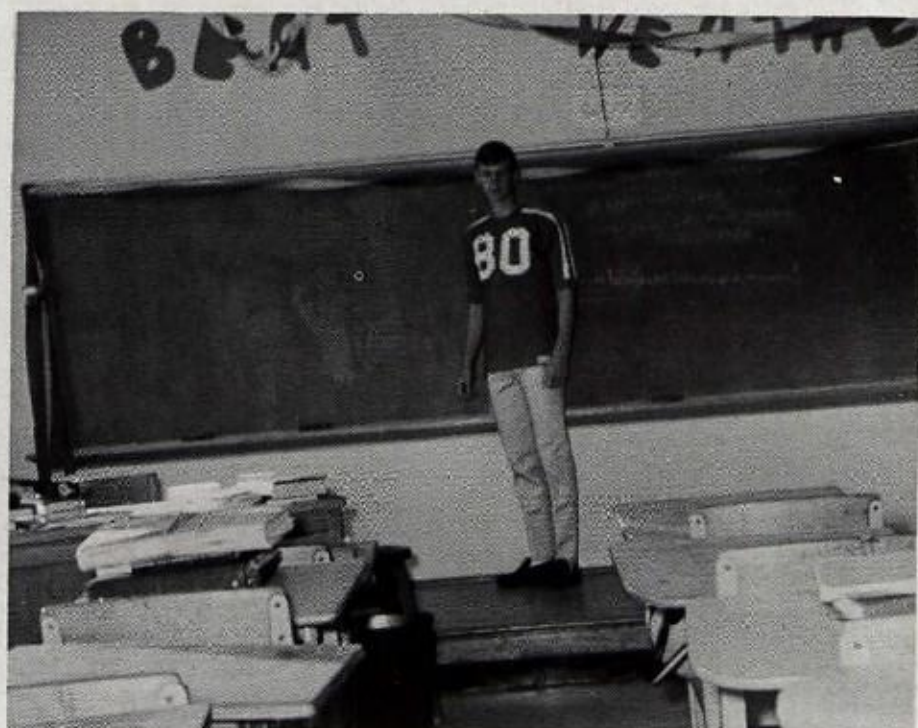

We sing the Alma Mater.

Note the 'Roo on top of car.

Has Weatherford moved West?

A loyal Ram!

Mrs. Hamrie decorates for ball game.

Showing their rings off.

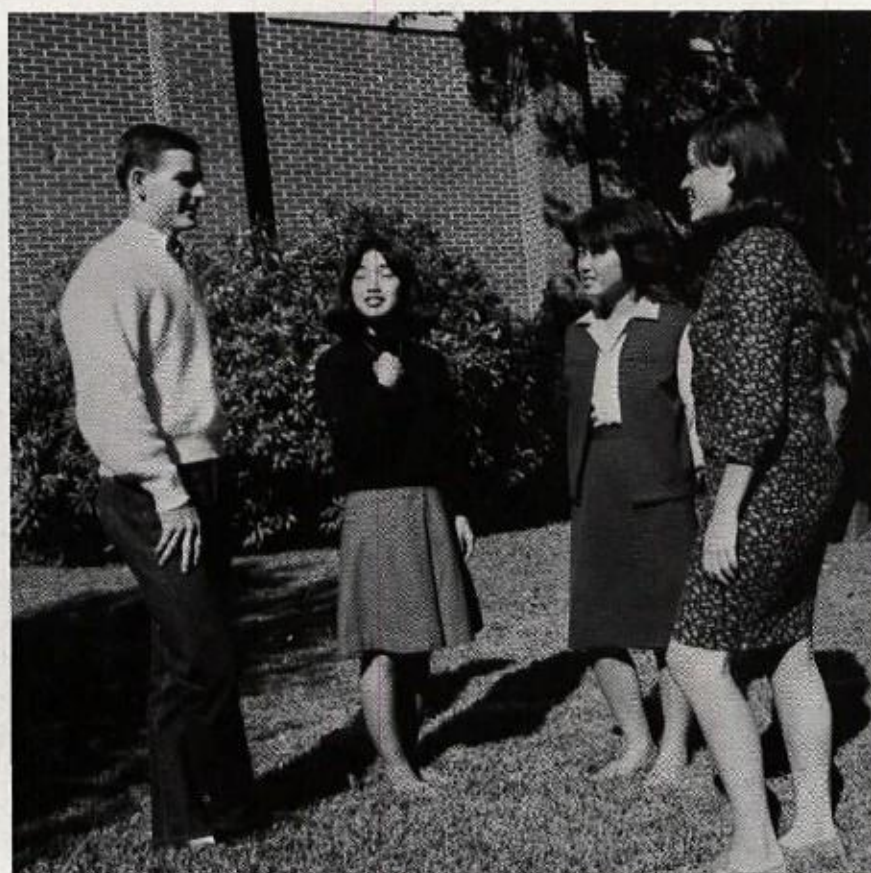

New members of National Honor Society.

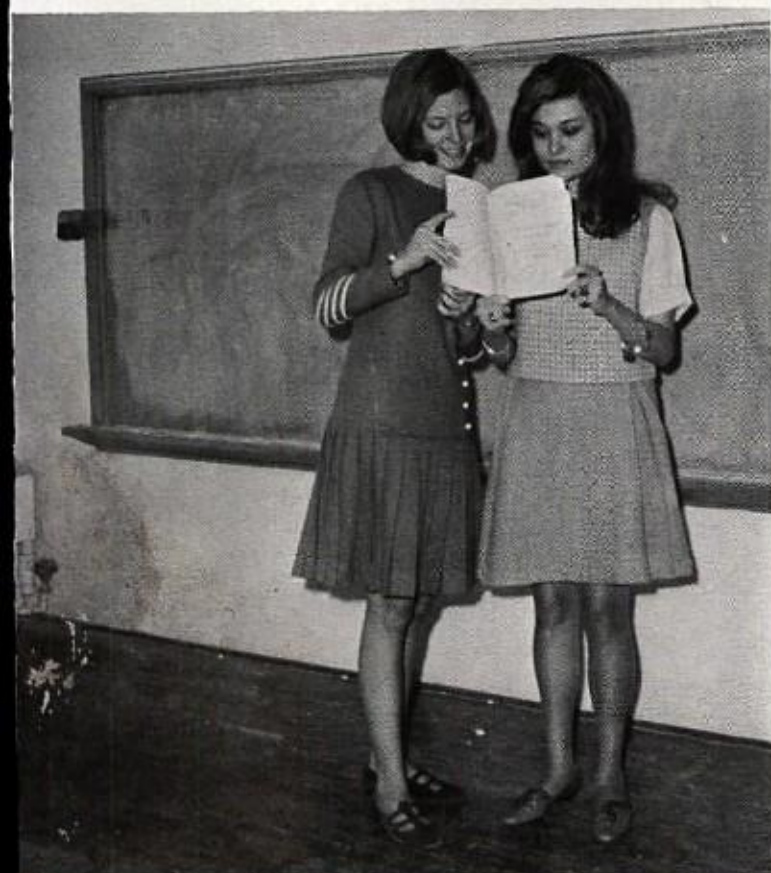

They have just received good news.

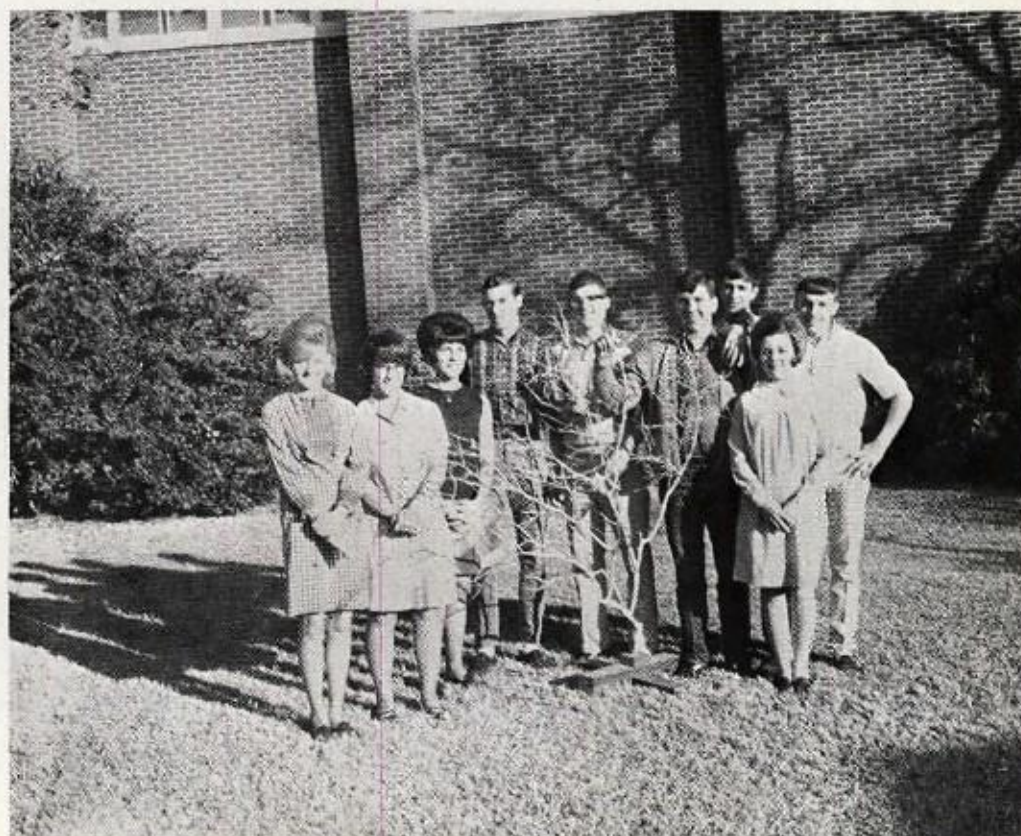

She looks surprised.

Mike entertains visitors

Persuasive speaking entries

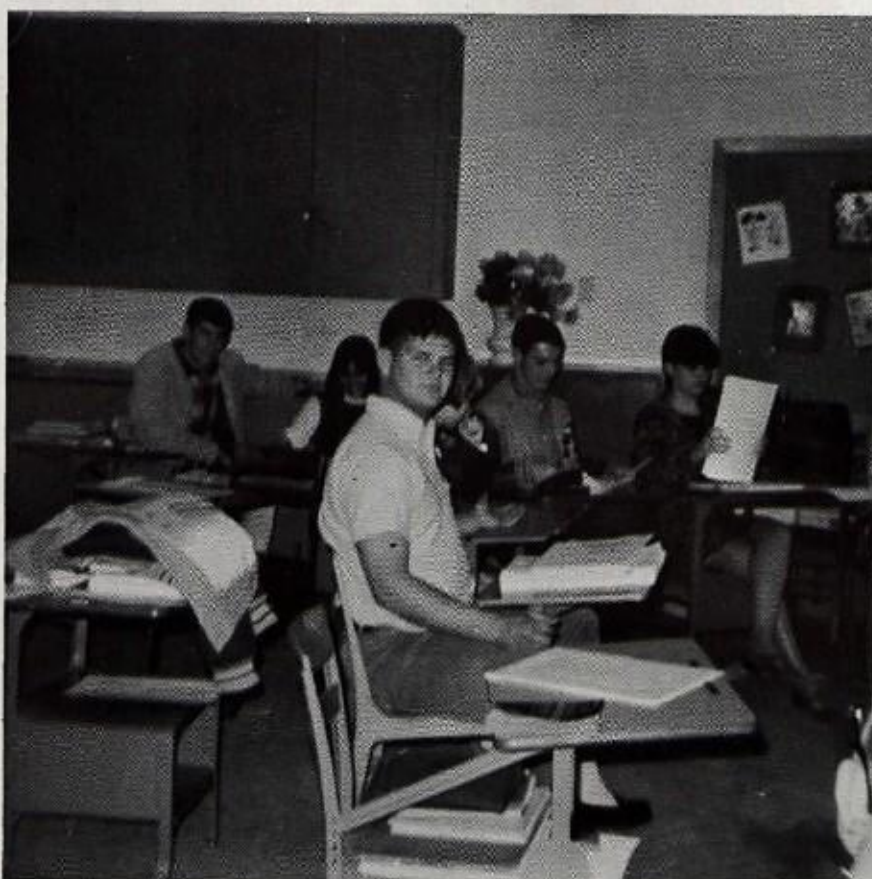

Believe it or not - this is a Christmas tree.

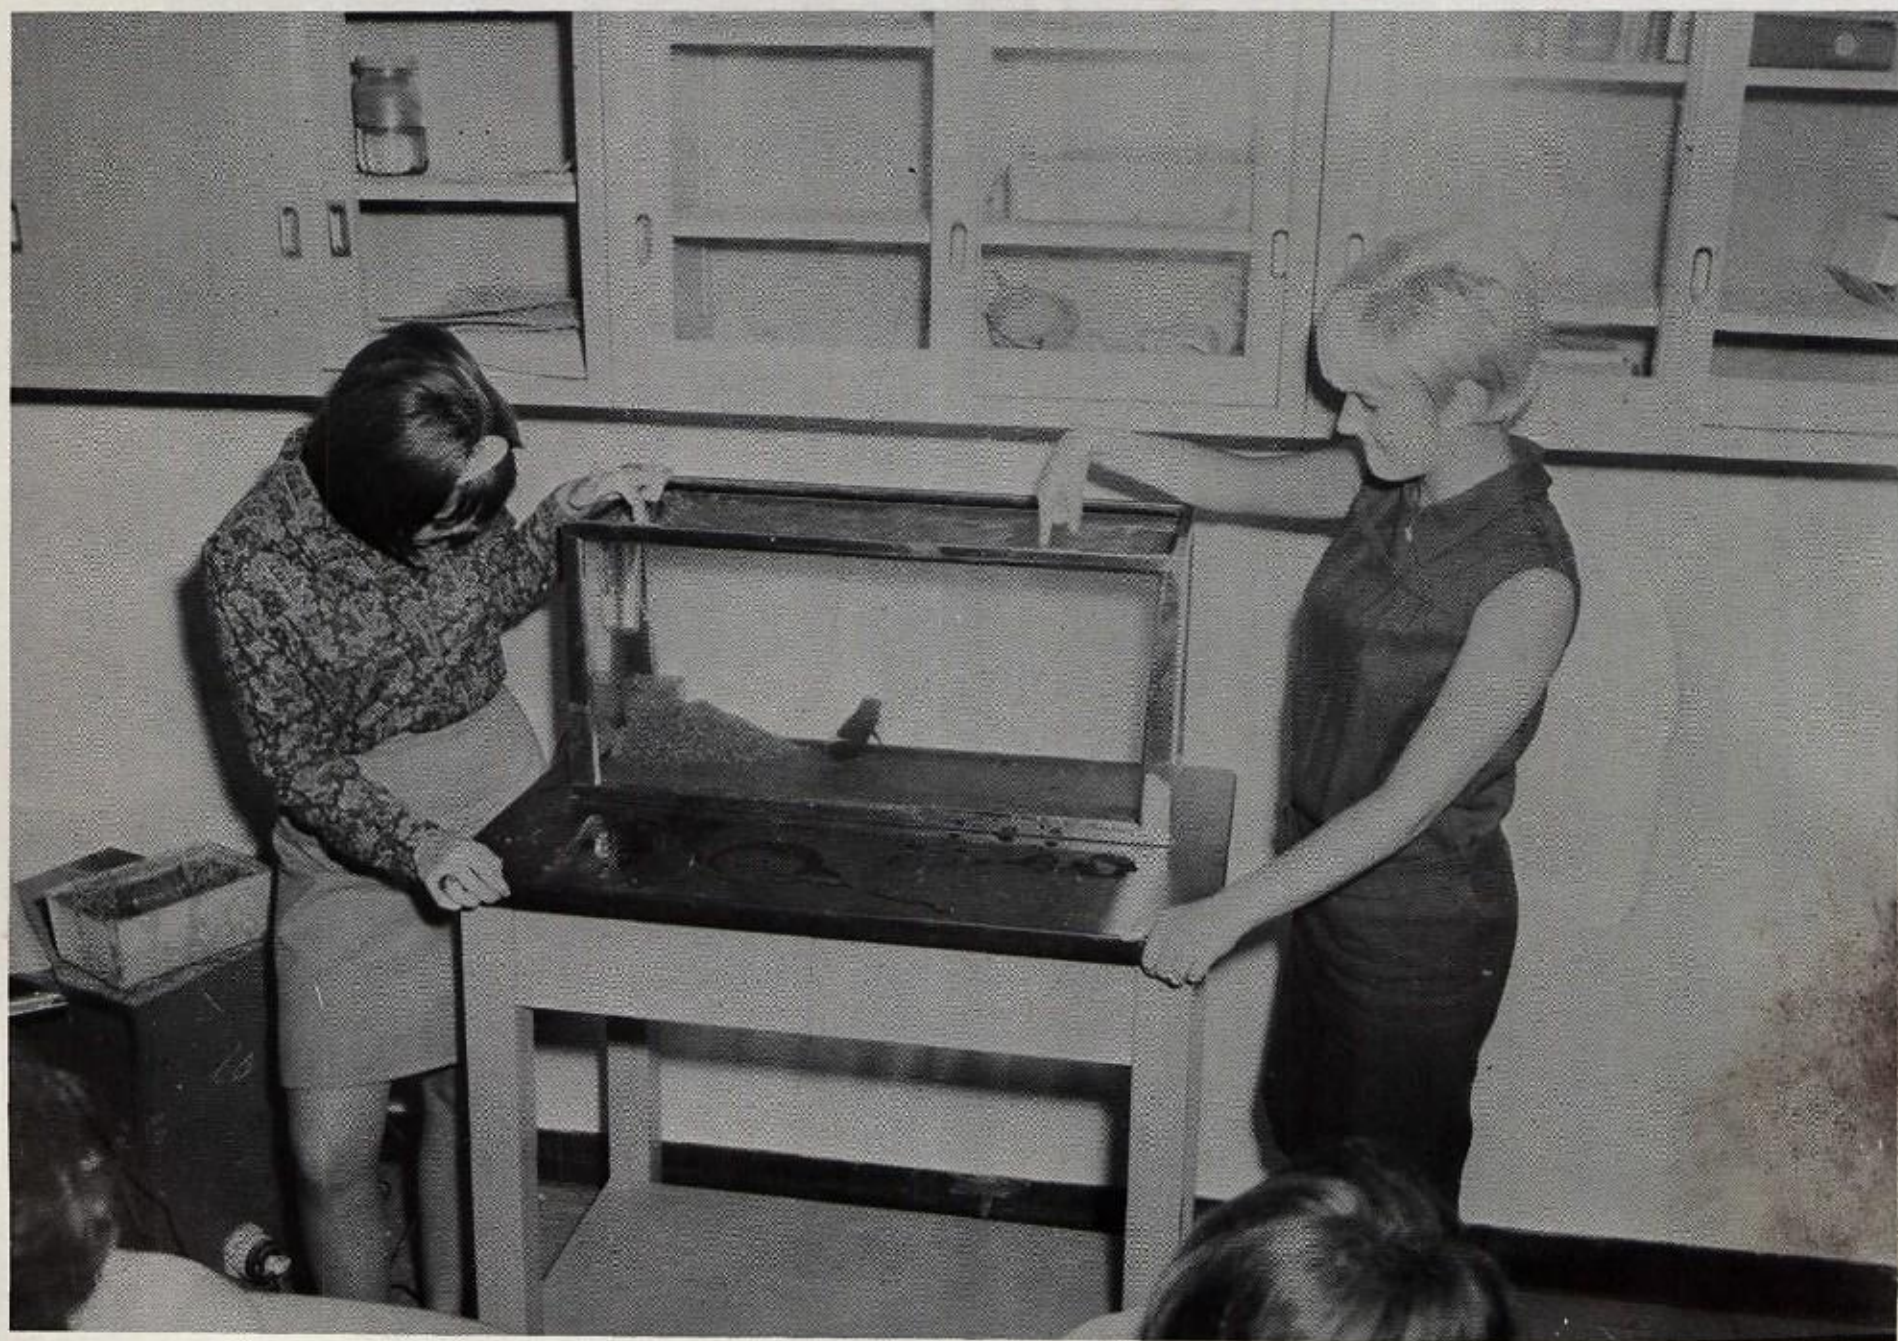

Returning books to the depository.

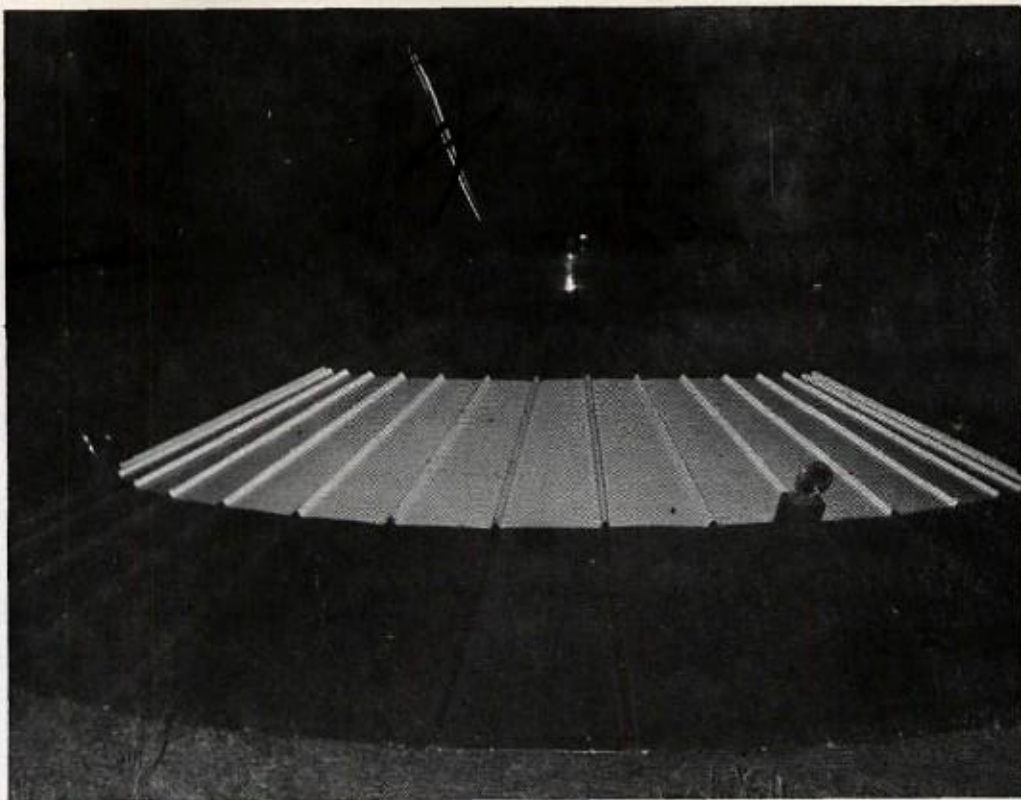

Officials give 'Roo a glance.

Hover has a mean look!

Studying an experiment.

This caused lots of exciting trips

Girls enjoying a slumber party.

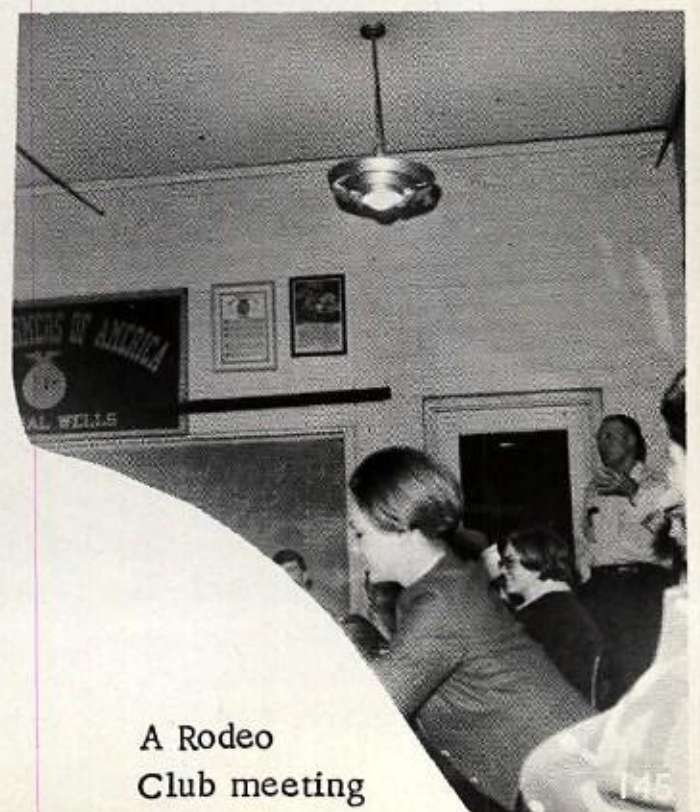

A happy pair!

Mr. Wooldridge is intent on his reading.

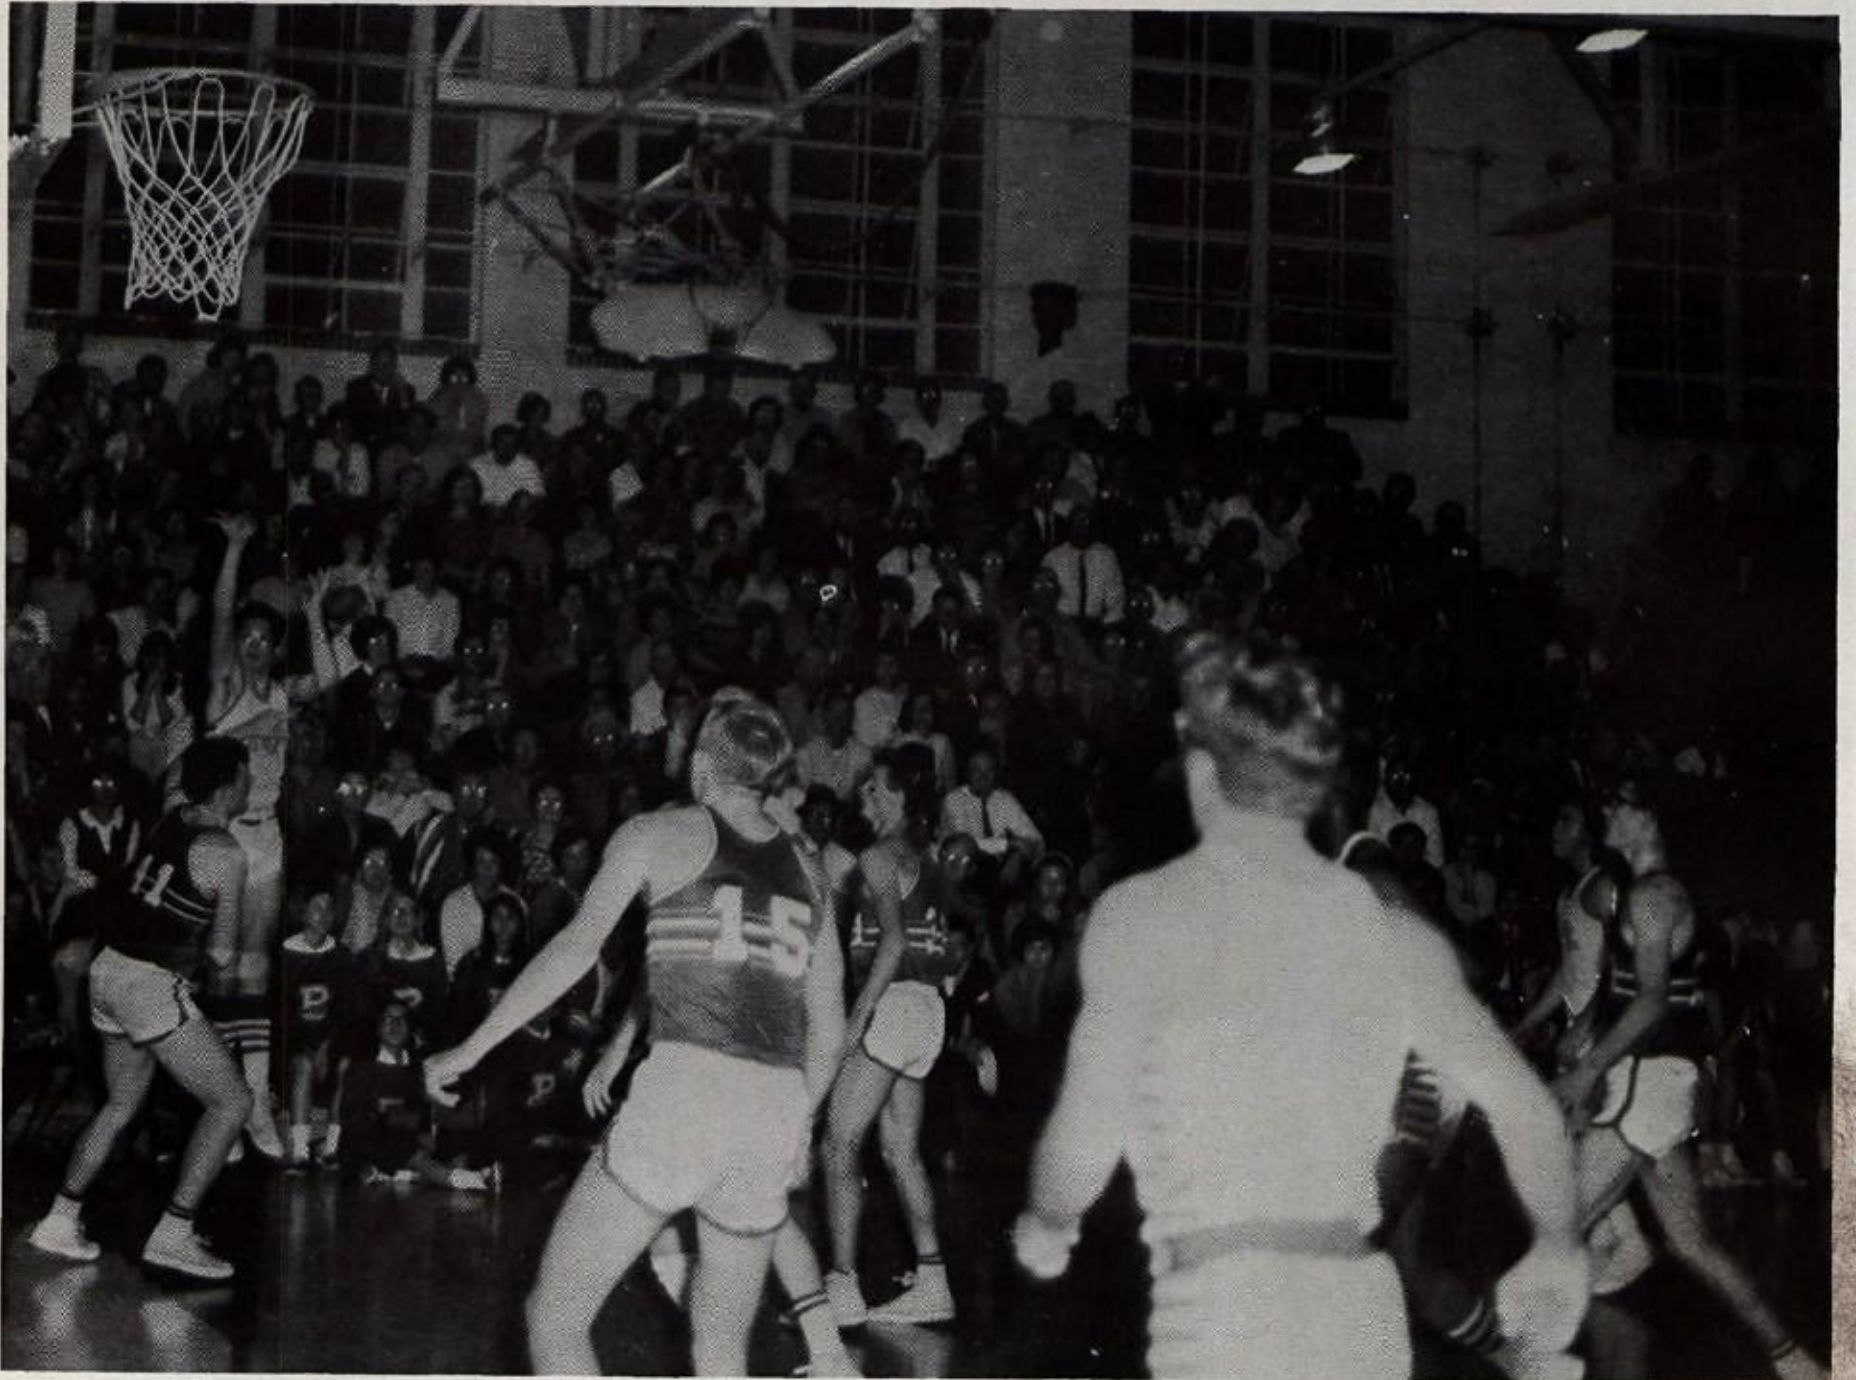

An odd pose.

A Rodeo Club meeting

Football boys cut a cake and celebrate

The Rams play another good game on their way to winning district.

Students hear good news

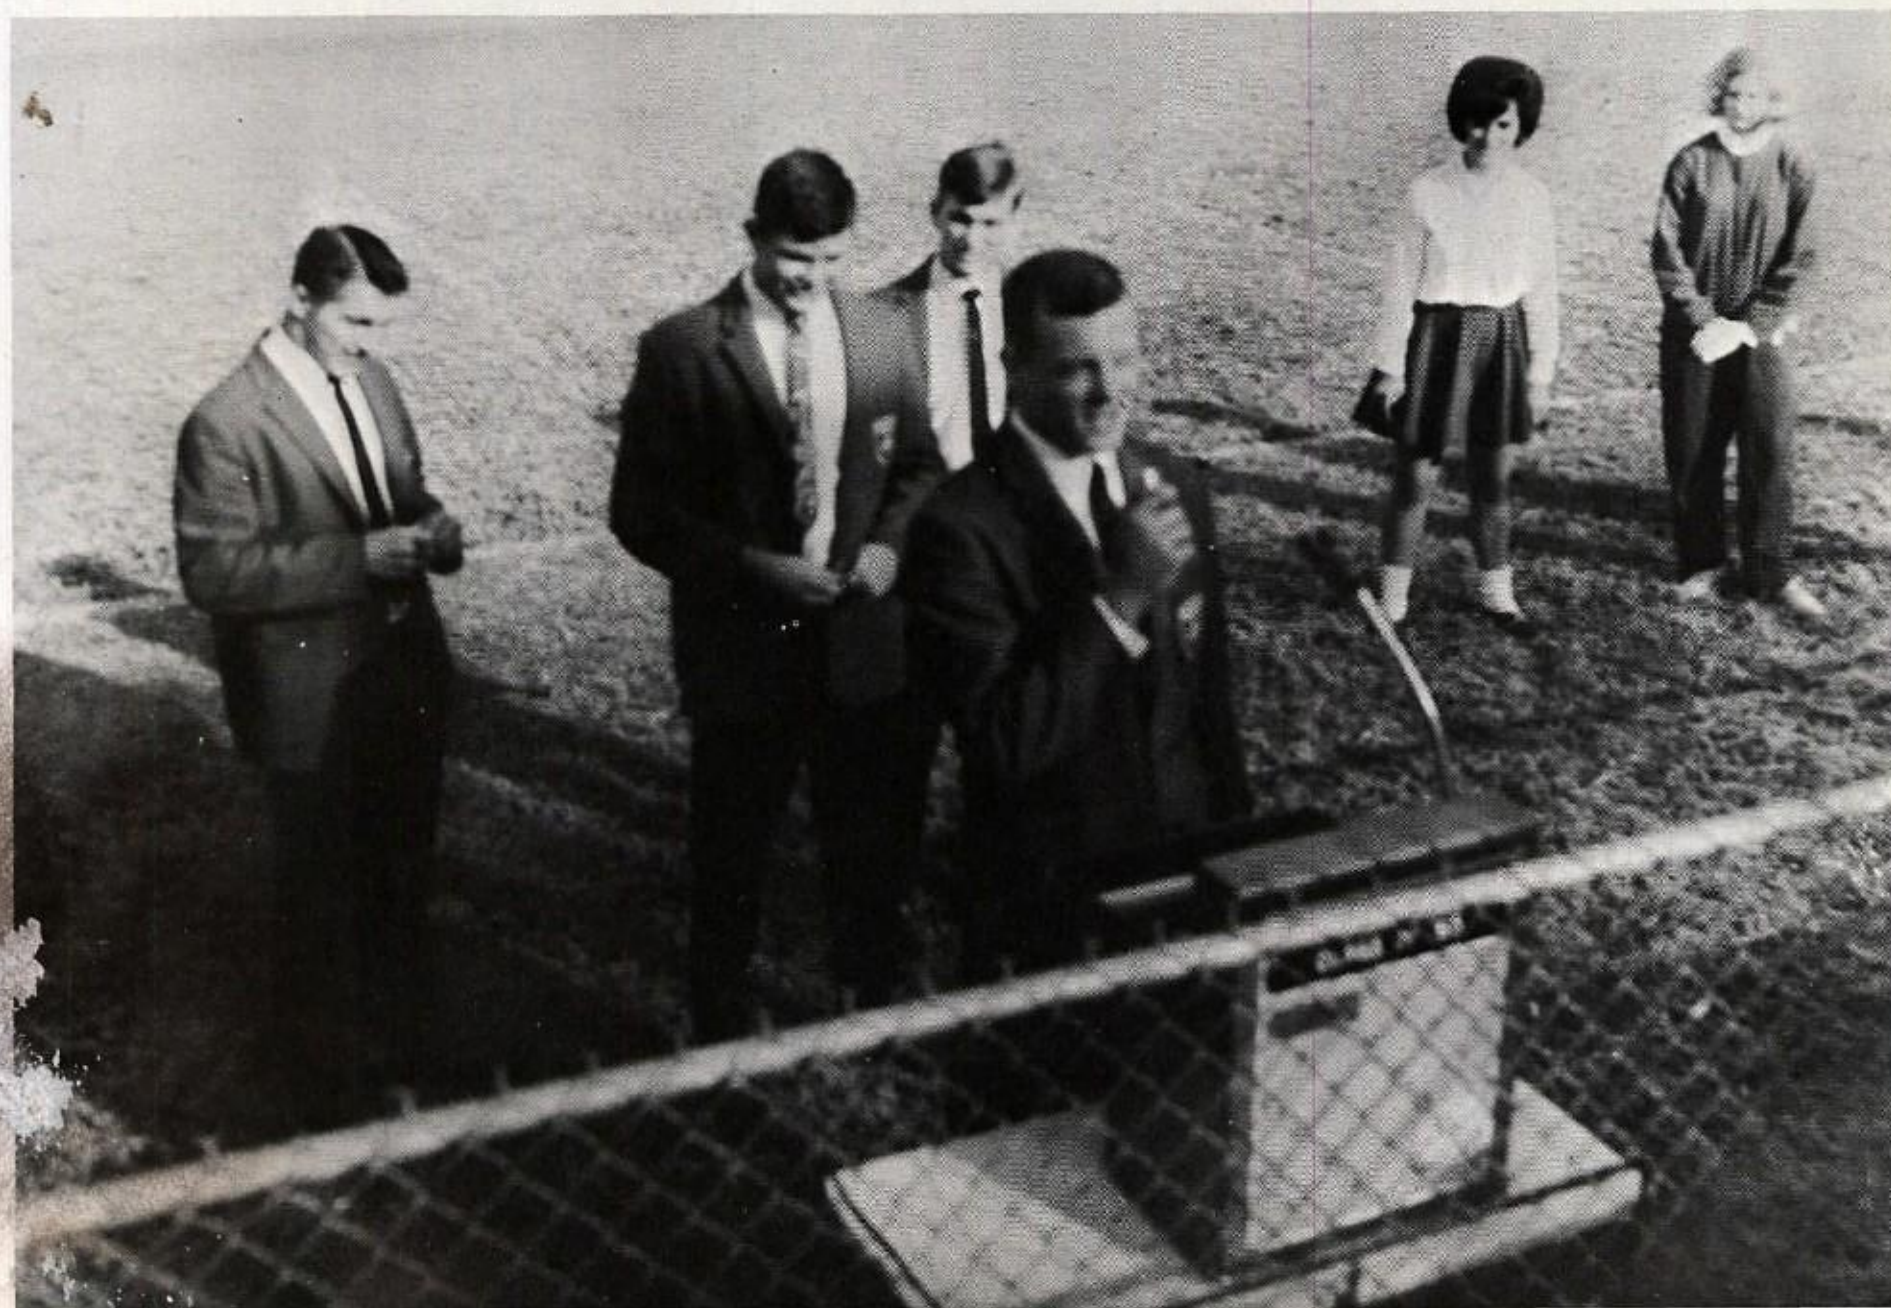

Two cute winners

Nelson takes a nap.

He's on the Job.

Cheerleaders hurry out on field...

Coach Hart looks like he means business.

A trophy is presented.

A "Beat the 'Roo" sign is hung downtown.

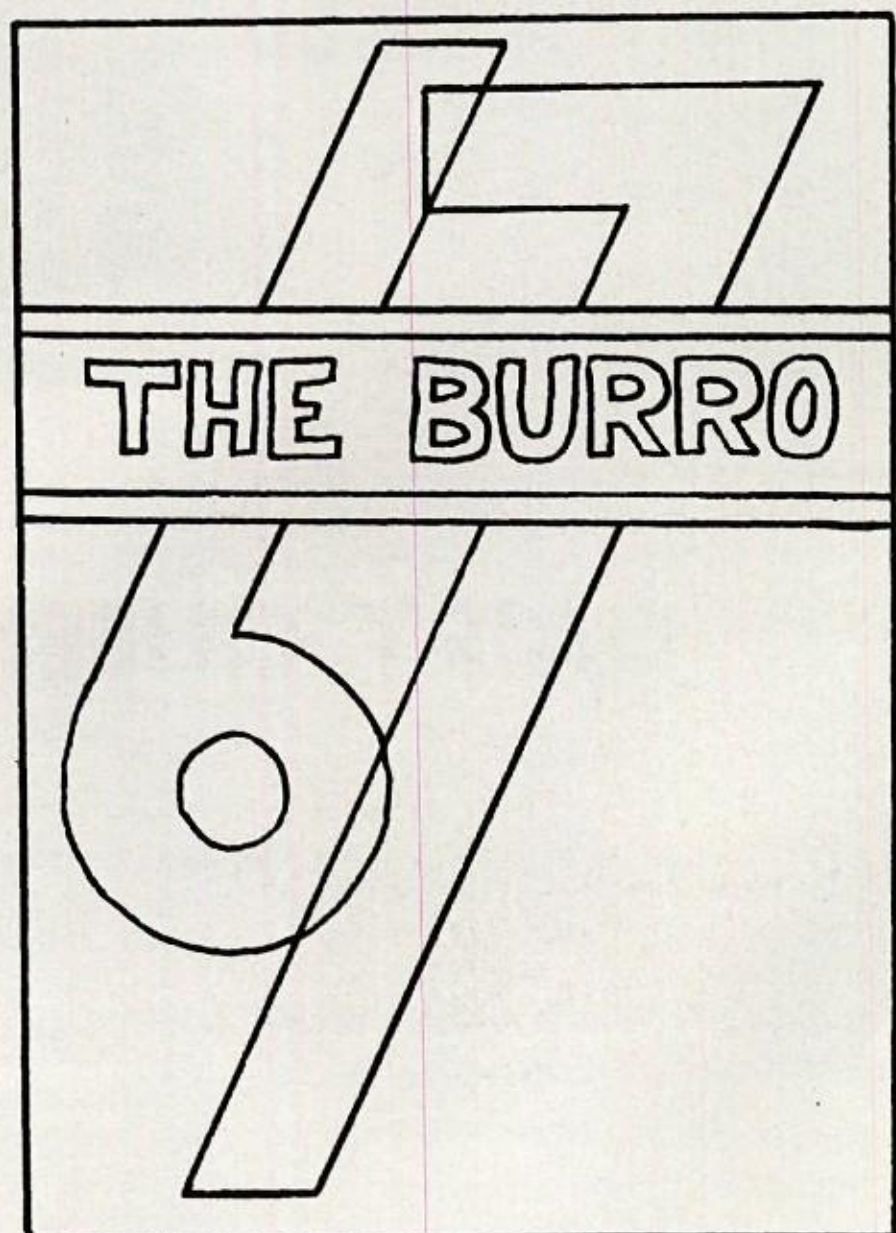

The boys prepare to leave on trip.

Chorus members give Christmas program
